Re: People v. Edwards, S073316

Frank A. McGuire Clerk

Deputy

Dear Ms. Jameson,

This is in response to your letter dated May 9, 2013 regarding the above-referenced case. As of now, I anticipate focusing on the following issues at oral argument before the Court: the Batson error; the error in admitting evidence of my client's 1994 Hawaii convictions; the confrontation clause violation regarding the autopsy findings; the confrontation clause violation regarding the statement by laboratory personnel; and the error in refusing the lingering doubt instruction in the second penalty phase.

I hope things are going well for you.

Very truly yours,

Quin Denvir

Cc: Deputy Attorney General Sevidal
