MEMORANDUM OF POINTS AND AUTHORITIES

Pursuant to Evidence Code sections 452 and 459, and California Rules of Court, rules 8.252(a) and 8.520(g), petitioner Board of Parole Hearings requests this Court take judicial notice of Exhibits Aa through Dd. These exhibits contain the California Department of Corrections and Rehabilitation's Division of Adult Parole Operation records, and the San Diego County Superior Court's minute orders, concerning William Palmer's progress on parole since his release from prison on March 11, 2019:

Exhibit Aa: June 4, 2019 Parole Revocation Decision Making Instrument.

Exhibit Bb: July 8, 2019 Parole Revocation Decision Making Instrument.

Exhibit Cc: September 17, 2019 Petition for Revocation.

Exhibit Dd: San Francisco County Superior Court Minute Orders, dated September 25, 2019, October 9, 2019, and October 25, 2019.

These exhibits are relevant to this matter for the reasons explained in the Board's opening brief on the merits. (Pet'r's Opening Brief (OB) at p. 35.) Briefly, the Court of Appeal held that because Palmer's continued incarceration was constitutionally excessive, he was entitled to discharge from parole. (Opn. at pp. 27-29.) On its own motion, this Court granted review and asked petitioner to address the proper remedy for a constitutionally disproportionate sentence. The Board's response to this question involves its broad authority to determinate how long and under what circumstances a life-term inmate should remain on parole, and the legislative and executive branch's determination that parole is important to an inmate's reintegration into society. (OB at p. 35.) Palmer's poor performance on parole is relevant to this latter point. (Cal. Rules of Court, rule 8.252(a)(2)(A).)

The exhibits also are subject to judicial notice. (Cal. Rules of Court, rule 8.252(a)(2)(C).) Under Evidence Code section 459, this Court may take judicial notice of any matter that would be subject to discretionary judicial notice by the trial court. (Evid. Code, § 459, subd. (a); see also *People v. Jacinto* (2010) 49 Cal.4th 263, 272, fn. 5 [appellate court may take judicial notice of matters that were not before the trial court]; *Planned Parenthood Shasta-Diablo, Inc. v. Williams* (1995) 10 Cal.4th 1009, 1021 [judicially noticing official government documents].) Under Evidence Code section 452, subdivision (c), courts may take judicial notice of “[o]fficial acts of the legislative, executive, and judicial departments of the United States and of any state of the United States.” This includes CDCR’s records as maintained by the Division of Adult Parole Operations concerning Palmer’s parole. (See, e.g., *In re Arroyo* (2019) 37 Cal.App.5th 727, 730 [judicially noticing CDCR’s relevant records and regulations]; CDCR’s Division of Adult Parole Operations <<https://www.cdcr.ca.gov/parole/>> [as of Oct. 28, 2019].) Courts may also take judicial notice of “[r]ecords of . . . any court of this state[.]” such as the superior court’s minute orders. (Evid. Code, § 459, subd. (d); *Arce v. Kaiser Foundation Health Plan, Inc.* (2010) 181 Cal.App.4th 471, 483 [judicially noticing state-court pleadings].)

Palmer’s parole records and the superior court’s minute orders were not presented to the Court of Appeal because the relevant events occurred after the Court of Appeal issued its April 5, 2019 decision. (Cal. Rules of Court, rule 8.252(a)(2)(B), (D).) Copies of all materials are filed and served with this motion. (Cal. Rules of Court, rule 8.252(a)(3).)

Additionally, for the convenience of the Court and the parties, the Board also attaches:

Exhibit Ee: San Francisco County Superior Court, Collaborative Courts, Parole Revocation Court.

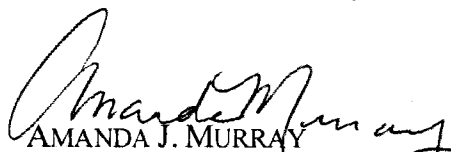

Exhibit Ee is publicly available online. The Board is aware of this Court's guidance that a "request for judicial notice of published material is unnecessary. Citation to the material is sufficient." (See, e.g., *Quelimane Co. v. Stewart Title Guaranty Co.* (1998) 19 Cal.4th 26, 45, fn. 9, citing *Stop Youth Addiction v. Lucky Stores, Inc.* (1998) 17 Cal.4th 553, 571, fn. 9; see also *People v. Rodriguez* (2012) 55 Cal.4th 1125, 1129, fn. 4 [same].) Accordingly, this exhibit is attached only for the convenience of the Court and the parties to provide a complete picture of Palmer's status on parole.

Petitioner respectfully requests this Court grant the motion for judicial notice.

<p>On 3/12/2019, Subject signed his Special Conditions of Parole in which special condition #006 states: "You shall enroll in and successfully complete a substance abuse treatment program as directed by your parole agent or appropriate parole authority."</p> <p>On 7/8/2019, at approximately 1200 hours, Agent of Record (AOR) discovered Subject had recently been discharged from the San Francisco Daily Reporting Center (DRC), substance abuse treatment program, for failure to attend multiple and consecutive classes. As a result, AOR conducted an office visit with Subject to discuss matter detailed above. It should be noted that Subject is mandated to complete substance abuse treatment classes as a part of his conditions of parole. During stated office visit, AOR discovered Subject was voice recording the conversation between Subject and AOR with his phone. Further investigation of Subject's phone produced evidence that Subject voice recorded a previous office visit between Subject and AOR on 5/10/2019. It should also be noted that consent to voice record AOR was not granted and Subject did not ask AOR for consent to voice record office visits, which is a violation of PC 632 Illegal Recording. In addition, AOR discovered that Subject was in an area where children congregate, which is violation of Subject's special conditions of parole. Specifically, Subject video recorded minor children (girls) dancing, with his phone at an unknown event. Finally, AOR discovered that Subject had been taking photos and video, with his phone, of a woman's under garment and lower body area without her knowledge, and making sexual comments, which is a violation of PC 647(J)(2) Using a Concealed Device to Record a Person's Body and Undergarments. As a result of above mentioned violations, AOR conducted a case conference with Unit Supervisor, Parole Agent III M. Figueroa, and Assistant Unit Supervisor, Parole Agent II R. Reyes. Subsequently, Subject was arrested by the Division of Adult Parole Operations (DAPO) and booked into San Francisco County Jail for violations including, but not limited to, PC 3056 Parole Violation.</p> <p>Subject was discharged from the San Francisco DRC substance abuse treatment program for failure to attend multiple and consecutive classes. Subject did not provide a valid excuse to warrant his multiple and consecutive absences. For this reason, Subject should be charged with this violation.</p>				
C VIOLATION : 2 PC 632: ILLEGAL RECORDING				
D CIRCUMSTANCES OF CHARGE: On 3/12/2019, Subject signed his notice and conditions of parole in which he agreed to abide by general condition #4, which states: "CRIMINAL CONDUCT: You shall not engage in conduct prohibited by law (state, federal, county, or municipal). You shall immediately inform your parole agent if you are arrested for any felony or misdemeanor crime. Be advised, your conduct, if prohibited by law, may result in parole revocation with or without a criminal conviction." On 7/8/2019, at approximately 1200 hours, AOR conducted an office visit with Subject. During stated office visit, AOR discovered Subject was voice recording the conversation between Subject and AOR with his phone. Further investigation of Subject's phone produced evidence that Subject voice recorded a previous office visit between Subject and AOR on 5/10/2019. It should also be noted that consent to voice record AOR was not granted and Subject did not ask AOR for consent to voice record office visits, which is a violation of PC 632 Illegal Recording. Subject voice recorded two (2) conversations between Subject and AOR on 5/10/2019 and 7/8/2019, without AOR knowledge or consent. For this reason, Subject should be charged with this violation.				
C VIOLATION : 3 018: LOITERING WITHIN 250 FEET OF WHERE CHILDREN CONGREGATE				
D CIRCUMSTANCES OF CHARGE: On 3/12/2019, Subject signed his Special Conditions of Parole in which special condition #018 states: "You shall not enter or loiter within 250 feet of the perimeter of places where children congregate; e.g. day care centers, schools, parks, playgrounds, video arcades, swimming pools, state fairgrounds, county fairgrounds, etc." On 7/8/2019, at approximately 1200 hours, AOR conducted an office visit with Subject. During stated office visit, AOR discovered that Subject was in an area where children congregate, which is violation of Subject's special conditions of parole. Specifically, Subject video recorded minor children (girls) dancing, with his phone at an unknown event. Subject was in an area where children congregate. Specifically, Subject was at an event where children were present and Subject video recorded children dancing. For this reason, Subject should be charged with this violation.

<p>On 3/12/2019, Subject signed his Notice and Conditions of Parole in which condition #2 states: "RELEASE, REPORTING, RESIDENCE, AND TRAVEL: Unless other arrangements are approved in writing, you will report to your parole agent on the first working day following your release. Any change of residence shall be reported to your parole agent in advance. You will inform your parole agent within 72 hours of any change of employment location, employer, or termination of employment."</p> <p>On 9/12/2019, Subject left his residence of record (Parolee Service Center (PSC): 111 Taylor Street, San Francisco, CA) at approximately 1734 hours and did not sign out via PSC control sheet as required by the PSC program rules. In addition, Subject did not return to the PSC at 2100 hours on that same evening as required by PSC program rules. See attached PSC control sheet and photographic evidence of Subject leaving the PSC on above mentioned date and time.</p> <p>On 9/13/2019, at approximately 0730 hours, Agent of Record (AOR) received notification from PSC staff that Subject was "absent without leave" as of 9/12/2019 at 1734 hours, as detailed above. AOR confirmed the above mentioned with PSC Program Manager J. Carpenter. Additionally, AOR obtained a copy of Subject's text message to PSC Program Manager J. Carpenter stating he was "headed to the mountains." It should be noted that the PSC and the Division of Adult Parole Operations (DAPO) did not authorize stated absence and/or travel. Thus, Subject's whereabouts were unknown. See attached photographic evidence of Subject's text communication to PSC Program Manager J. Carpenter and PSC Program Manager J. Carpenter's email of summarized events.</p> <p>On that same day, at approximately 0900 hours, AOR attempted to contact Subject via telephone, in person at Subject's residence of record, and within the surrounding community areas, which yielded negative results for Subject. Furthermore, AOR contacted the local MSC Homeless Shelter and the San Francisco General Hospital, yielding negative results for Subject. As a result, AOR conducted a case conference with Unit Supervisor (US), Parole Agent III, M. Figueroa, who authorized AOR to author an affidavit requesting an emergency warrant for Subject's arrest due to Subject's high notoriety as a "Lifer Parolee" and whereabouts being unknown. Aforementioned warrant request was granted and signed into effect on 9/13/2019, at 1216 hours, by the Superior Court of California, County of San Francisco. Reference attached DAPO Warrant ID #1909223426.</p> <p>Per San Francisco Police Department report/incident #190687550: On 9/14/2019, at approximately 1825 hours, Subject walked into the San Francisco Police Department (SFPD), Tenderloin Station, and informed Officers that he had an active warrant for his arrest. Officers on duty confirmed the above mentioned warrant was, in fact, an active California Department of Corrections and Rehabilitation (CDCR), Division of Adult Parole Operations, no bail felony warrant. Subsequently, Subject was arrested and booked into San Francisco County Jail (SFCJ) for PC 3056 Parole Violation.</p> <p>The PSC and the Division of Adult Parole Operations (DAPO) did not authorize stated absence and/or travel. As a result, an emergency DAPO warrant was placed into effect for Subject's arrest due to the fact that he could not be accounted for and his whereabouts were unknown. Therefore, Subject should be charged with this violation.</p>

AGENTS RESPONSE / COMMENTS: On 3/11/2019, Subject began his parole term. Since his parole date, he has had several documented violations (6/4/2019: Entering a Business Selling Alcoholic Beverages, Contact with Minor Under Age of 18, Failure to Inform Parole Agent of Contact with Minor, Failure to Obtain Agent Approval of Volunteer Work, Failure to Attend the Parole Outpatient Clinic, Loitering Schools/Playgrounds and 7/8/2019: Failure to Complete Substance Abuse Program, Loitering within 250 Feet of Where Children Congregate, PC 632 Illegal Recording, PC 647(j)(2) Using a Concealed Device to Record Person's Body and Undergarments). There is grave concern that Subject's current, and continued, criminal activity reflects prior criminal activity displayed during controlling offense. Specifically, Subject's 1988 kidnapping with Intent to commit robbery, while using a firearm, involved Subject questioning the Victim about his wife and children; then impulsively kidnapping the Victim in order to obtain personal monetary gain. Additionally, Subject's 1986 lewd and lascivious acts with a child involved Subject impulsively, and secretly, observing two (2) minor children masturbate. Finally, recent 2019 parole violations involved entering a business which sells alcoholic beverages, contact with minor's under the age of 18, failure to attend the Parole Outpatient Clinic, loitering near schools/playgrounds, failure to complete substance abuse treatment program, and using a cell phone to video record a female Victim's lower body and undergarments without consent. To address Subject's criminogenic needs, he has been referred to the Parole Outpatient Clinic (outpatient program), Daily Reporting Center (outpatient program) for substance abuse treatment, and the Geo Care Parolee Service Center (PSC) for transitional housing. Unfortunately, Subject refused to comply with these programs and/or services. Another deferral of the violation in question to continue on parole, with verbal reprimand, was considered. However, it was deemed inappropriate at this time due to Subject's current PSC program non-compliance, absconding of parole supervision, and public safety. Subject's history of impetuous defiance to statutory law is connected to previous, and documented, acts of violence and/or criminal activity. Additionally, his recent behavior indicates that he is continuing with a criminal lifestyle that involves defiance of his conditions of parole. Based on the totality of circumstances, Agent of Record (AOR) is not in agreement with the Parole Violation Disposition Tracking System (PVDTS) Instrument's recommended response level: Moderately Intensive. Thus, Agent of Record (AOR) is respectfully submitting a request for revocation to allow Subject, and the Division of Adult Parole Operations (DAPD), time to assess and address said behavior.

VIOLATION :

1 Absconding parole supervision

CIRCUMSTANCES OF CHARGE:

On 3/12/2019, Subject signed his Notice and Conditions of Parole in which condition #2 states: "RELEASE, REPORTING, RESIDENCE, AND TRAVEL: Unless other arrangements are approved in writing, you will report to your parole agent on the first working day following your release. Any change of residence shall be reported to your parole agent in advance. You will inform your parole agent within 72 hours of any change of employment location, employer, or termination of employment."

On 9/12/2019, Subject left his residence of record (Parolee Service Center (PSC): 111 Taylor Street, San Francisco, CA) at approximately 1734 hours and did not sign out via PSC control sheet as required by the PSC program rules. In addition, Subject did not return to the PSC at 2100 hours on that same evening as required by PSC program rules. See attached PSC control sheet and photographic evidence of Subject leaving the PSC on above mentioned date and time.

On 9/13/2019, at approximately 0730 hours, Agent of Record (AOR) received notification from PSC staff that Subject was "absent without leave" as of 9/12/2019 at 1734 hours, as detailed above. AOR confirmed the above mentioned with PSC Program Manager J. Carpenter. Additionally, AOR obtained a copy of Subject's text message to PSC Program Manager J. Carpenter stating he was "headed to the mountains." It should be noted that the PSC and the Division of Adult Parole Operations (DAPO) did not authorize stated absence and/or travel. Thus, Subject's whereabouts were unknown. See attached photographic evidence of Subject's text communication to PSC Program Manager J. Carpenter and PSC Program Manager J. Carpenter's email of summarized events.

On that same day, at approximately 0900 hours, AOR attempted to contact Subject via telephone, in person at Subject's residence of record, and within the surrounding community

areas, which yielded negative results for Subject. Furthermore, AOR contacted the local MSC Homeless Shelter and the San Francisco General Hospital, yielding negative results for Subject. Reference attached DAPO Warrant ID #1909223426.

Per San Francisco Police Department report/Incident #190687550:
 On 9/14/2019, at approximately 1825 hours, Subject walked into the San Francisco Police Department (SFPD), Tenderloin Station, and informed Officers that he had an active warrant for his arrest. Officers on duty confirmed the above mentioned warrant was, in fact, an active California Department of Corrections and Rehabilitation (CDCR), Division of Adult Parole Operations, no bail felony warrant. Subsequently, Subject was arrested and booked into San Francisco County Jail (SFCJ) for PC 3056 Parole Violation.

The PSC and the Division of Adult Parole Operations (DAPO) did not authorize stated absence and/or travel. As a result, an emergency DAPO warrant was placed into effect for Subject's arrest due to the fact that he could not be accounted for and his whereabouts were unknown. Therefore, Subject should be charged with this violation.

REASONS FOR SPECIAL CONDITIONS OF PAROLE

Special conditions can be imposed if there is a nexus or the conditions reasonably related to the subject's commitment offense, criminal conduct, and/or future criminality. A special condition that bars lawful activity is valid only if the prohibited conduct either:

1. Has a relationship to the crime of which the offender was convicted.
2. Is reasonably related to deter future criminality.

Conditions may regulate conduct that is not in itself criminal, but rather reasonably related to future criminality by regulating or prohibiting non-criminal conduct.

REASON CODES	DESCRIPTION
03	03. Based on factors and circumstances directly related to the subjects commitment offense(s), the imposition of this condition will assist in the goal of preventing the subject from committing subsequent criminal offenses under federal, state, or local law.
17	17. Parole authority imposed special conditions. Board imposed or recommended special conditions.

DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

I, Agent M. Montano, am employed by the California Department of Corrections and Rehabilitation, Division of Adult Parole Operations, as a Parole Agent 1.

At present, I am the Agent of Record (AOR) for Parolee William M. Palmer II (CDCR #D95905) and have been assigned to supervise him while he is on parole. Parolee W. Palmer shall be referred to as Subject from here forth.

On 3/11/2019, Subject was released from State Prison to State Parole supervision. Subject's 1988 commitment offense involves a PC 209 Kidnap/Robbery, with a Firearm, of an off duty Peace Officer. As a result, he was convicted on 5/4/1988, with an enhancement, by the Superior Court of California, County of Riverside, and was sentenced to serve a life term in which he began his incarceration at the California Youth Authority. According to the Probation Officer's Report, Mr. Palmer who laid in wait, brandishing a revolver, ordered the victim to turn over his wallet. Palmer then also ordered the victim to drive to an ATM and withdraw \$200.00. When Palmer and the victim approached the ATM, an off duty police officer confronted him, drew his gun and fired 15 shots at Palmer. Palmer was struck in the knee and fled. Palmer was captured shortly thereafter, and confessed to the crime.

On 3/12/2019, Subject signed his CDCR 1515 Notice of Conditions of Parole and Special Conditions of Parole in which he agreed to adhere to all conditions of parole. Specifically, Subject agreed to condition of parole #2 which states: "Release, Reporting, Residence, and Travel: Unless other arrangements are approved in writing, you shall report to your parole agent on the first working day following your release. The name, address, and telephone number of the parole agent responsible for your parole supervision shall be documented on the CDCR Form 611, Release Program Study, which is incorporated by reference as part of this Notice. You shall inform your supervising parole agent of your residence, employment, education, and/or training. Any change or anticipated change to your residence shall be reported to your parole agent in advance. You shall inform your parole agent within 72 hours of any change to your employment location, employer, or termination of employment." Furthermore, Subject agreed to condition of parole #3 which states: "Parole Agent Instructions and Travel: You shall comply with all of the instructions from your parole

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

agent. You shall not travel more than 50 miles from your residence without the prior approval of your parole agent. You shall not be absent from your county of residence for a period of more than 48 hours. You shall not leave the State of California without prior written approval of your parole agent."

On 9/13/2019, AOR received a phone call from Geo Care Parole Residential Service Center program manager, J. Carpenter, who informed AOR that Subject did not return to Parole Residential Service Center (111 Taylor Street, San Francisco, CA), as required. In addition, J. Carpenter provided evidence in which Subject states he is "heading to the mountains." It should be noted that stated travel was not authorized by Geo Care or the Division of Adult Parole Operations. AOR attempted to contact Subject via telephone, at Subject's residence of record, and within the surrounding community areas; yielding negative results. In addition, AOR contacted the local MSC Homeless Shelter and the San Francisco General Hospital, yielding negative results for Subject's whereabouts.

At this time, Subject is a high notoriety case and his whereabouts are unknown. Thus, AOR is requesting Court intervention and assistance in locating high risk Subject in order to locate Subject and bring Subject back into parole compliance.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Subject: PALMER, William (D95905)

On 9.12.19 at approximately 22:00 I received a text message from the facility to notify me PALMER (D95905) was not in the facility. After further investigation staff discovered he left on a pass that had not been approved. Staff attempted to contact PALMER via his cell phone with negative results. I looked at my work issued phone and found several text messages from PALMER. He communicated in the messages he was enroute to the mountains and would not have cell service. His text indicated he would return on Saturday.

I talked to Kevin about starting my weekend pass early and he said yes. I'm in a car headed to the mountains. My service is going to go out. I can't come back

until Saturday. I have no ride until then. Please check me out and let me get back when I can. That's why I needed to be released so I can enjoy my weekend. I

**EXHIBIT Ee – San Francisco County
Superior Court, Collaborative Courts,
Parole Revocation Court**

SAN FRANCISCO COLLABORATIVE COURTS

The San Francisco Collaborative Courts (SFCC) work with individuals and families in the criminal justice, juvenile delinquency, and child welfare systems who are challenged by substance abuse, mental illness and other social welfare concerns. Our programs aim to improve individual and family outcomes, minimize incarceration, reduce criminal recidivism and improve public safety. Judicial leadership plays a significant role in motivating participant compliance. Collaborative Courts adhere to principles that combine the values of treatment and rehabilitation with a focus on accountability and public safety.

ADULT PROGRAMS

Behavioral Health Court (BHC) addresses the complex needs of mentally ill defendants, including those with co-occurring substance use disorders. An individualized treatment plan is developed which includes psychiatric rehabilitation services, medication management, supportive living, substance abuse treatment, supported employment, and case management services. Staff: Judge Harry Dorfman, Lisa Lightman

Community Justice Center (CJC) is a Court and Service Center for the Tenderloin, Civic Center, and SOMA neighborhoods. The CJC accesses defendants for substance abuse, mental health, and primary care because staff is available in the same building as the court. In partnership with the Department of Public Health (DPH), services at the CJC are available for all residents who live in the CJC area. Staff: Judge Michael Begert, Alyson West

Drug Court (DC) provides an intensive supervision case management program for non-violent offenders with substantial substance abuse problems. When a participant successfully completes Drug Court (10-24 months), probation is terminated or charges may be dismissed. Drug Court has its own treatment clinic and is supported by state funding through DPH. Staff: Judge Michael Begert, Lisa Lightman

Intensive Supervision Court (ISC) is a voluntary court-based probation supervision program spearheaded by the Adult Probation Department. The target population is high-risk, high-need probationers who are facing a state prison commitment as a result of probation violations. Staff: Judge Loretta Giorgi, Lisa Lightman

Parole Revocation Court (PRC) is a collaborative team that supports the delivery of social services to up to 10-12 parolees who have a Petition to Revoke Parole. If a client is unable to fulfill his or her treatment obligations and is not adhering to the treatment plan, the client will be subject to additional remedial sanctions, a possible new parole violation or termination from PRC. This program is supported by a grant from the Judicial Council of California. Staff: Judge Stephen Murphy, Lisa Lightman

Veterans Justice Court (VJC) addresses the issues confronting military service veterans: substance abuse, mental health disabilities (including post-traumatic stress disorder), homelessness and unemployment. In partnership with the Veterans Administration and other agencies, VJC provides treatment, counseling, social service support and academic and vocational skill training. Staff: Judge Michael Begert, Alyson West
