**Drill Down Reports:**

Single time period selections for California or an individual county are available with limited features. Multiple time period reports for California and individual counties are temporarily offline while we implement reporting modifications. Sorry for any inconvenience. Summary data (state and county level) are also available in the quarterly outcomes spreadsheet files located at: [http://cssr.berkeley.edu/ucb\\_childwelfare/Ccfsr.aspx](http://cssr.berkeley.edu/ucb_childwelfare/Ccfsr.aspx)

**Note:** Values of 10 or less and calculations based on values of 10 or less are masked (\*\*\*). In stratified views of the data, additional values (the lowest available) are masked to prevent calculation of values of 10 or less.
