CALYOUTH IN THE LOOP

Speak Up on issues that matter to you

Complete one of the surveys below to enter to win a $100 dollar gift card!

Participate in our survey and learn about the results of the CalYOUTH Study. Researchers asked 19-year-olds how foster care has affected their transition to adulthood in areas like health, relationships, education and employment. Click on the options below to see the results and provide your own feedback to improve extended foster care in California!

How has the California Fostering Connections to Success Act, also known as AB12 or Extended foster care, impacted the lives of foster youth transitioning to adulthood? Researchers asked hundreds of current or former foster youth how they're faring in several areas of their life, including education, health, their relationships and employment. We've put together interesting results from the study and now you can respond to the findings and let us know what you think.

Click on one of the options above to provide your feedback on your experiences with foster care in California!

Don't let your voice go unheard!

If you're 16-17 years old, and not in extended foster care yet, but would like to provide your feedback or learn more about the CalYOUTH study and its findings, fill out the short form below.

Keep us in the loop and we'll keep you informed about issues that matter to you

What are you most interested in learning about? *

○ Education

○ Health and Mental Health

○ Financial Resources

○ Housing

○ Other

If Other please specify:

How do you like to stay connected with others? *

○ by phone - preferably calls

○ by phone - preferably text

○ e-mail

○ social media, like through facebook or twitter

○ messaging apps like whatsapp

○ I'm "off the grid"

○ by mail

Can we reach out to you with info, prizes or other opportunities to provide your feedback? *

○ Yes please

○ No thanks

If yes, great! Leave us your name and contact info.
