17 CCR § 52108

§ 52108. Designation of Services on the IFSP.

(a) Each service on the IFSP shall be designated as one of the following:

(1) A required early intervention service. These services shall be provided, purchased or arranged by a regional center or LEA; or

(2) Other public programs providing services that may benefit the infant, toddler and/or family which the eligible infant or toddler or his or her family may be eligible to receive, subject to the statutory, regulatory and other program criteria of those programs or agencies. These services may include but not be limited to: residential care; family reunification services, Head Start, Supplemental Security Income; Supplemental Security Programs; Temporary Assistance to Needy Families and food stamps; Medi-Cal; or

(3) A referral to a community service that may be provided to an eligible infant or toddler or his or her family but is not required under the California Early Intervention Services Act, Government Code Sections 95000-95030.

(A) A non required service includes but is not limited to: employment; child care; housing; medical services such as surgery, or medication, hospitalization, medical devices necessary to control or treat a medical condition, or immunizations, well-baby care, income support, family or marital counseling unrelated to the infant or toddler's development, and substance abuse counseling.

(B) The IFSP shall, to the extent appropriate, include the steps and time lines for the service coordinator to assist the parent to secure those services through public or private sources.

(b) The receipt of required early intervention services listed on the IFSP, pursuant to Section 52108(a)(1) of these regulations, from other state or federal agencies such as California Children Services, is dependent on the infant or toddler and the infant's or toddler's parent meeting the statutory, regulatory, and other program criteria of the agency and/or program that provides those services. These criteria may include financial eligibility and medical condition eligibility as diagnosed by program certified personnel, and on the availability of funding for the program.

(1) In the event that the infant or toddler or infant's or toddler's parent is not eligible to receive those agency services, or funding for the program is unavailable, the required early intervention services shall be provided by the regional center or the LEA.

(2) The parent shall be informed in writing of this provision during the initial 45 day evaluation and assessment period and/or during the IFSP meeting.

§ 52109. Basis for the Provision of and Payment for Services Through Regional Centers.

(a) Regional centers shall provide, arrange, or purchase early intervention services, as required by the infant's or toddler's IFSP, and be the payor of last resort for infants and toddlers determined eligible for early intervention services as:

- (1) Developmentally delayed pursuant to 52022(a);
- (2) Established risk pursuant to 52022(b)(1); or
- (3) High risk for developmental disability pursuant to 52022(c).

(b) Regional centers shall be the payor of last resort after all other public sources for payment have been reviewed to determine if a referral shall be made by the service coordinator and/or the parent. Referrals may include but not be limited to California Children Services, Medi-Cal, or other public agencies that may have responsibility for payment. This review shall not delay the provision of early intervention services specified on the IFSP. Early Intervention services specified on the IFSP shall begin as soon as possible.

(c) The use of the family's private insurance to pay for evaluation, assessment, and required early intervention services specified on the infant or toddler's IFSP, shall be voluntary.

For purposes of this subsection, voluntary means there is documentation in the child's record that parents have been informed of their right to receive evaluation, assessment and required early intervention services at no cost to the family and that the use of private insurance is voluntary.

§ 52106. Content of IFSP.

(a) For purposes of this Section:

- (1) Duration means the period between the initiation date of services and the ending date of services in the IFSP.
- (2) Frequency means the number of days or sessions that a service will be provided during a specified period of time, such as, two times each week or four times each month.
- (3) Initiation means the beginning date of the service.
- (4) Intensity means the length of time the service is provided during each session, and whether the service is provided in a group or individual setting.
- (5) Location means the environment where early intervention services are provided.
- (6) Method means how a service is provided by qualified persons to accomplish a specified outcome.

(b) The IFSP shall include the following:

- (1) With the agreement of the parent, a statement of the family's resources, priorities, and concerns related to enhancing the development of the infant or toddler;
- (2) A statement, based on evaluation and assessment information, of the infant's or toddler's present levels of:
 - (A) Physical development including fine and gross motor development, vision, hearing, and health status;
 - (B) Cognitive development;
 - (C) Communication development;
 - (D) Social or emotional development; and,
 - (E) Adaptive development;
- (3) The statement of present levels of development required in subsection (b)(2) of this section shall be based on evidence that can be measured or observed by a qualified professional;
- (4) A statement of the developmental outcomes expected for the infant or toddler and the criteria, procedures, and time lines used to determine the degree to which progress toward achieving outcomes is being made. Such outcomes shall be based on the identified needs of the infant or toddler and family pursuant to assessment;
- (5) A statement about the outcomes for the family when services for the family are related to meeting the special developmental needs of the infant or toddler;
- (6) Statements of the specific early intervention services necessary to meet the unique needs of the infant or toddler and the family to achieve the outcomes including:
 - (A) The frequency, intensity, and method of delivering the services;

(B) The location where the services will be delivered;

1. The statements of location shall specify the natural environments such as home, child care, school program, or private program where early intervention services shall be provided; and
2. The statement shall include a justification of the extent, if any, to which the services will not be provided in a natural environment.

(C) The projected date for initiation of each service;

(D) The anticipated duration of the services;

(E) The scheduled days when services/programs will not be available when the service provider operates a program which has a fixed schedule which includes breaks in service for periods such as holidays or vacations; and

(F) The name of the regional center, LEA or service provider providing each early intervention service;

(7) The funding source for other or non-required services provided by any entity other than regional centers or LEAs including the procedures that will be followed to obtain such funding;

(8) The name of the service coordinator; and,

(9) A statement of the transition steps, which are initiated when the toddler is two years nine months, or at the discretion of all parties, up to six months before the toddler turns three years old, that are necessary to ensure the transition of the toddler to:

(A) Preschool services under Part B of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1400-1420, if the toddler with a disability is eligible; or

(B) Other public and private services that may be needed by the toddler pursuant to Section 52112 of these regulations.

(c) Regional centers and LEAs shall not place an infant or toddler on a waiting list for early intervention services required by the IFSP.

(d) Regional centers and LEAs shall arrange, provide or purchase early intervention services required by the IFSP as soon as possible.

§ 52102. Procedures for IFSP Development, Review and Evaluation.

- (a) An initial IFSP shall be developed by the regional center and/or LEA for each eligible infant or toddler, who has been evaluated and assessed, within 45 days of the receipt, by either the regional center or LEA, of the oral or written referral except as provided for in Section 52107 of these regulations.
- (b) A periodic review of the IFSP for an infant or toddler and the infant's or toddler's family shall be conducted every six months, or more frequently if service needs change, or if the parent requests such a review.
- (c) Documentation of each periodic review of the IFSP by the service coordinator shall include:
- (1) The degree to which progress toward achieving the outcomes is being made; and
 - (2) All modifications or revisions of the outcomes or services as necessary.
- (d) The periodic review of the IFSP may be carried out by a meeting or by another means that is acceptable to the parent and other participants.
- (e) An annual meeting to review the IFSP shall be conducted to document the infant's or toddler's progress and revise its provisions and shall include team members as specified in Section 52104 of these regulations.
- (f) Information obtained from ongoing assessment shall be used in reviewing and revising outcomes and determining the appropriate services that will be provided or continued.
- (g) All IFSP meetings shall be conducted:
- (1) In settings and at times or by means that are reasonably convenient to the parent; and
 - (2) In the language of parent's choice unless it is clearly not feasible to do so.
- (h) Meeting arrangements shall be made with, and written notice provided to, the parent and other members of the multidisciplinary team in a timely manner to ensure attendance at the IFSP meeting pursuant to the general notice requirements contained in Section 52161 of these regulations.
- (i) The contents of the initial and annual IFSP and changes to the IFSP resulting from the periodic review shall be fully explained and a legible copy of the document given to the parent. Written consent from the parent shall be obtained prior to the provision of early intervention services described in the IFSP as required in Section 52162(a) of these regulations.
- (j) If the parent does not provide consent with respect to a particular early intervention service listed in the IFSP or withdraws consent after first providing it, that service shall not be provided. The early intervention services to which parental consent is obtained shall be provided.

§ 52107. Interim IFSP.

(a) An interim IFSP may be developed for an infant or toddler, who has been determined eligible for early intervention services. The early intervention services may begin before the completion of the assessment if there is an immediate need to provide services and the infant's or toddler's parent has given written consent.

(b) The interim IFSP shall include:

(1) Time lines for completing assessments;

(2) The name of the service coordinator responsible for completion of evaluation and assessment within the 45 day timeline and implementation of the interim IFSP;

(3) The services agreed upon at the interim IFSP meeting as necessary for the infant or toddler.

(c) An interim IFSP meeting shall provide for the participation of the parent and the service coordinator and the persons responsible for the assessment at a minimum pursuant to Section 52104(a) of these regulations. Provisions shall be made for the participation of other family members, an advocate or person outside of the family at the parent's request.

(d) The immediate need, the early intervention services needed and the name of the service coordinator must be documented in the infant's or toddler's interim IFSP.

(e) The existence of an interim IFSP does not absolve the regional center or LEA from complying with the 45 day time period to complete the initial assessment in all five areas of development.

(f) An interim IFSP developed to meet an immediate need shall be followed by an IFSP meeting within the 45-day period that commenced with the referral except as provided for in Section 52086(d) of these regulations.

(g) An interim IFSP may be developed for an infant or toddler who has been determined eligible when exceptional circumstances prevent the completion of assessment within 45 days.

§ 52082. Procedures for Evaluation to Determine Eligibility.

- (a) The determination of eligibility for an infant or toddler shall be made by qualified personnel of the regional center or LEA. The determination shall be made with the participation of the multidisciplinary team including the parent.
- (b) Evaluation to determine eligibility shall be based on informed clinical opinion and include:
- (1) A review of pertinent records related to the infant or toddler's health status and medical history provided by qualified health professionals who have evaluated or assessed the infant or toddler;
 - (2) Information obtained from parental observation and report; and,
 - (3) Evaluation by qualified personnel of the infant's or toddler's level of functioning in each of the following areas:
 - (A) Cognitive development;
 - (B) Physical and motor development, including vision and hearing;
 - (C) Communication development;
 - (D) Social or emotional development; and,
 - (E) Adaptive development.
- (c) No single procedure shall be used as the sole criterion for determining an infant's or toddler's eligibility.
- (d) Standardized tests or instruments may be used as part of the evaluation specified in 52082(b) above, and, if used, they shall:
- (1) Be selected to ensure that, when administered to an infant or toddler with impaired sensory, motor or speaking skills, the tests produce results that accurately reflect the infant's or toddler's aptitude, developmental level, or any other factors the test purports to measure and not the infant's or toddler's impaired sensory, motor or speaking skills unless those skills are the factors the test purports to measure;
 - (2) Be validated for the specific purpose for which they are used.
- (e) If standardized, normed or criterion referenced instruments are used as part of the evaluation specified in 52082(b) above, a significant difference between an infant's or toddler's current level of functioning and the expected level of development for his or her age shall be established when an infant's or toddler's age equivalent score falls one third below age expectation.
- (f) Procedures and materials for evaluation and assessment of infants and toddlers shall be selected and administered so as not to be racially or culturally discriminatory.
- (g) Infants or toddlers with solely low incidence disabilities shall be evaluated and assessed by qualified personnel of the LEA whose professional preparation, license or credential authorization are specific to the suspected disability.
- (h) Regional centers, LEAs and multidisciplinary teams shall not presume or determine eligibility, including eligibility for medical services provided through the Department of Health Care Services, for any other state or local government program or service when conducting evaluations or assessments of an infant or toddler or their family.

(i) Evaluations for eligibility shall be conducted in natural environments whenever possible.

§ 52084. Assessment for Service Planning.

(a) Assessment for service planning for eligible infants or toddlers shall identify all of the following:

- (1) The infant or toddler's unique strengths and needs in each of the five areas specified in Section 52082(b)(3);
- (2) Early intervention and other services appropriate to meet the needs identified in (a)(1) of this subsection; and
- (3) If the family consents to a family assessment, the resources, priorities and concerns of the family and the supports and services necessary to enhance the family's capacity to meet the developmental needs of an infant or toddler with a disability.

(b) For purposes of service planning, regional centers and LEAs may use existing evaluation materials if the multidisciplinary team agrees that the existing materials adequately describe the levels of development and service needs for the infant or toddler.

(c) Assessment for service planning shall be based on age appropriate methods and procedures which may include any of the following:

- (1) A review of information related to the infant's or toddler's health status and medical history provided by qualified health professionals who have evaluated or assessed the infant or toddler;
- (2) Developmental observations by qualified personnel and the parent;
- (3) Other procedures used by qualified personnel to determine the presence of a developmental delay, established risk condition, or high risk for a developmental disability; and
- (4) Standardized tests or instruments.

(d) Assessments of family resources, priorities and concerns related to enhancing the development of the infant or toddler shall be voluntary on the part of the family. The family assessment shall:

- (1) Be conducted by qualified personnel trained to utilize appropriate methods and procedures;
- (2) Be based on information provided by the family through a personal interview;
- (3) Incorporate the family's description of its resources, priorities and concerns related to enhancing the development of the infant or toddler; and,
- (4) Be conducted in the language of the family's choice or other mode of communication unless it is not feasible to do so.

(e) Assessments for service planning shall be conducted in natural environments whenever possible.

§ 52022. Eligibility Criteria.

(a) Developmental Delay

A developmental delay exists if there is a significant difference pursuant to 52082 between the infant's or toddler's current level of functioning and the expected level of development for his or her age in one or more of the following developmental areas:

- (1) Cognitive;
- (2) Physical: including fine and gross motor, vision, and hearing;
- (3) Communication;
- (4) Social or emotional;
- (5) Adaptive.

(b) Established Risk

- (1) An established risk condition exists when an infant or toddler has a condition of known etiology which has a high probability of resulting in developmental delay; or
- (2) An established risk condition exists when an infant or toddler has a solely low incidence disability.

(c) High Risk for Developmental Disability

(1) High risk for a developmental disability exists when a multidisciplinary team determines that an infant or toddler has a combination of two or more of the following factors that requires early intervention services based on evaluation and assessment pursuant to section 52082 and section 52084:

- (A) Prematurity of less than 32 weeks gestation and/or low birth weight of less than 1500 grams.
- (B) Assisted ventilation for 48 hours or longer during the first 28 days of life.
- (C) Small for gestational age: below the third percentile on the National Center for Health Statistics growth charts.
- (D) Asphyxia neonatorum associated with a five minute Apgar score of 0 to 5.
- (E) Severe and persistent metabolic abnormality, including but not limited to hypoglycemia, acidemia, and hyperbilirubinemia in excess of the usual exchange transfusion level.
- (F) Neonatal seizures or nonfebrile seizures during the first three years of life.
- (G) Central nervous system lesion or abnormality.
- (H) Central nervous system infection.
- (I) Biomedical insult including, but not limited to, injury, accident or illness which may seriously or permanently affect developmental outcome.
- (J) Multiple congenital anomalies or genetic disorders which may affect developmental outcome.

(K) Prenatal exposure to known teratogens.

(L) Prenatal substance exposure, positive infant neonatal toxicology screen or symptomatic neonatal toxicity or withdrawal.

(M) Clinically significant failure to thrive, including, but not limited to, weight persistently below the third percentile for age on standard growth charts or less than 85% of the ideal weight for age and/or acute weight loss or failure to gain weight with the loss of two or more major percentiles on the growth curve.

(N) Persistent hypotonia or hypertonia, beyond that otherwise associated with a known diagnostic condition.

(2) High risk for a developmental disability also exists when a multidisciplinary team determines that the parent of the infant or toddler is a person with a developmental disability and the infant or toddler requires early intervention services based on evaluation and assessment as specified in section 52082 and section 52084.

(d) A developmental delay shall not be determined based on:

(1) Temporary physical disability;

(2) Cultural or economic factors;

(3) The normal process of second language acquisition; or

(4) Manifestation of dialect and sociolinguistic variance.

Article 1. Definitions

17 CCR § 52000

§ 52000. Meaning of Words.

(a) Words shall have their usual meaning unless the context of a definition clearly indicates a different meaning. Words used in their present tense include the future tense; words in the singular form include the plural form. Use of the word "shall" denotes mandatory conduct; "may" denotes permissive conduct.

(b) The following definitions shall apply to the words used in this subchapter:

(1) Acidemia means an excessive acidity of the blood wherein the acid-base balance of the body is disturbed.

(2) Adaptive development means the acquisition of skills that are required to meet environmental demands. Adaptive development includes, but is not limited to, activities of self-care, such as dressing, eating, toileting, self-direction, environmental problem-solving and attention/arousal.

(3) Asphyxia neonatorum means a condition caused by insufficient oxygen at or near the time of birth.

(4) Assessment means the ongoing procedures used by qualified personnel throughout the period of an infant's or toddler's eligibility for early intervention services to identify the infant's or toddler's unique strengths and needs and the services appropriate to meet those needs. Assessment also includes the identification of the family's resources, priorities, and concerns regarding the development of the infant or toddler and the supports and services necessary to enhance the family's capacity to meet the developmental needs of the eligible infant or toddler.

(5) Authorized representative means the parent or guardian of a minor, or person who is legally entitled to act on behalf of the infant, toddler or family.

(6) Biomedical insult is a general term referring to those biological or medical conditions such as infection or brain injury which may result in developmental delay or disability.

(7) Cognitive development means the acquisition of learning through ongoing interactions with the environment. Cognitive development involves perceiving, thinking, problem solving and remembering information.

(8) Communication development means the acquisition of expressive and/or receptive language skills which include understanding and/or using any of the following: gestures, facial expressions, speech reading, sign language, body postures and vocal and visual contacts with another person.

(9) Complainant means any individual or organization filing a written complaint pursuant to the provisions of Subchapter 5, Article 3.

(10) Concerns means areas that family members identify as needs, issues or problems they want to address as part of the individualized family service plan (IFSP) or the evaluation and assessment process which are related to meeting the developmental needs of the infant or toddler.

(11) Day means calendar day unless otherwise stated.

(12) Early intervention services means those services designed to meet the developmental needs of each eligible infant or toddler and the needs of the family related to the infant's or toddler's development. The services include but are not limited to assistive technology; audiology; family training; counseling and home visits; health services; medical services only for diagnostic or evaluation purposes; nursing services; nutrition services, occupational therapy; physical therapy; psychological services;

service coordination; social work services; special instruction; speech and language services; transportation and related costs; and vision services. Early intervention services may include such services as respite and other family support services.

(13) Evaluation means procedures used by qualified personnel to determine an infant's or toddler's present level of development.

(14) Exception circumstances means events beyond the control of the regional center or local education agency (LEA). These include but are not limited to the infant's or toddler's or parent's illness, the infant's or toddler's and parent's absence from the geographical area, inability to locate the parent, or a natural disaster. Delays caused by the failure to obtain copies of existing records or other administrative events do not constitute exceptional circumstances.

(15) Family means the primary caregivers and others who assume major long-term roles in an infant's or toddler's daily life.

(16) Fine motor means the use of muscles that control small and detailed movements of the body, as an example, in the hand related to manual dexterity and coordination.

(17) Funded Capacity means the number of eligible infants, between 12 and 16 students per instructional unit, that the California Department of Education requires LEAs to serve to maintain funding for their classes/programs/services in a given year pursuant to Education Code section 56728.8 as it read on November 1, 1993.

(18) Gross motor means the use of large muscle groups of the body, arms, or legs, as in sitting up, walking, or balancing.

(19) Health status means a description of the physical and mental condition of an infant or toddler. Health status may include current diagnoses, medications, required regular medical procedures, current medical supplies and technological devices, primary and specially care providers, and immunization status, nutrition and oral health.

(20) Hearing impairment means a condition, whether permanent or fluctuating, which impairs the processing of linguistic information through hearing, even with amplification, and which adversely affects an infant's or toddler's development. Processing linguistic information includes speech and language reception and speech and language discrimination.

(21) Hyperbilirubinemia means a condition in which an excessive amount of bilirubin, a bile pigment released from the breakdown of red blood cells, is in the blood.

(22) Hypertonia means a condition of excessive tone or tension in the skeletal muscles.

(23) Hypotonia means a condition of diminished tone of the skeletal muscles.

(24) Hypoglycemia means a condition in which the blood sugar is abnormally low.

(25) Immediate need means a situation in which an infant or toddler requires early intervention services without delay pursuant to a physician's order or written determination by the multidisciplinary team specifying consequences of a delay in the provision of services.

(26) Individual program plan (IPP) means a plan developed for persons with developmental disabilities to describe the provisions of services and supports to meet the written goals and objectives pursuant to Welfare and Institutions Code sections 4646-4648.

(27) Individualized education program (IEP) means a written statement that is developed and implemented pursuant to Title 20 United States Code Section 1401(b)(20).

(28) Individualized family service plan (IFSP) means a written plan for providing early intervention services to infants or toddlers and their families who have been determined eligible for early intervention services. The plan must: (A) Be developed in accordance with Sections 52100 through 52110; and, (B) Be based on the evaluation and assessment processes described in Sections 52082 through 52086 of these regulations.

(29) Informed clinical opinion means the judgment of a qualified professional who is a member of the multidisciplinary team. Informed clinical opinion is based on but is not limited to opinions derived from: a review of records, parental and professional observation of the infant or toddler, and professional knowledge.

(30) Language of the parent's choice means a primary written or oral language or mode of communication that the family chooses as a means of communication. Language of the parent's choice may be the native language. If the parent is deaf or blind or has no written language, the mode of communication shall be that normally used by the parent such as sign language, braille, or oral communication.

(31) Local education agency (LEA) means the school district in which the infant or toddler resides or the county office of education or the special education local plan area (SELPA) that is responsible for providing early intervention services to infants and toddlers with disabilities.

(32) Low incidence disability means a severe disabling condition with an expected incidence rate of less than one percent of the total statewide enrollment in kindergarten through grade 12. For purposes of this definition, severe disabling conditions are hearing impairments, vision impairments, and severe orthopedic impairments, or any combination thereof.

(33) Mediation means a voluntary resolution process in which an impartial third party may assist the disagreeing parties to resolve issues prior to a due process hearing.

(34) Multidisciplinary team means two or more individuals of various disciplines or professions, and the parent, who participate in the provision of integrated and coordinated services, including evaluation, assessment, and IFSP development.

(35) Natural environments means settings that are natural or typical for the infant or toddler's age peers who have no disability including the home and community settings in which children without disabilities participate.

(36) Parent means:

(A) A natural or adoptive parent of a child;

(B) A guardian;

(C) A person acting in place of a parent (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the child's welfare);

(D) A surrogate parent who has been assigned in accordance with 34 CFR 303.406 and 17 CCR 52175 of these regulations; or

(E) A foster parent, when:

1. The foster parent has no interest that would conflict with the interests of the child,

2. The natural parents' authority to make the decisions required of parents has been limited or relinquished under State law, and

3. The foster parent is willing to make the decisions required of parents.

(37) Payor of last resort means the regional center or LEA that is required to pay for early intervention services listed on the IFSP when third party payers or other agencies do not have an obligation to pay as required by 34 CFR 303.527.

(38) Personally identifiable means information that includes:

(A) The full name of the infant or toddler, infant's or toddler's parent, or other family member;

(B) The address of the infant or toddler;

(C) A personal identifier, such as the infant's, toddler's or parent's social security number; or

(D) A list of personal characteristics or other information that would make it possible to identify the infant or toddler with reasonable certainty.

(39) Physical development means the acquisition of fine and gross motor skills involved in functional movement. Physical development includes vision, hearing and health status.

(40) Priorities means a family's choice for the focus of early intervention services as well as for the ways in which early intervention services will be incorporated into the family's day-to-day organization, routine and planning.

(41) Qualified means that a person meets state certification, licensing, credentialing, registration, or other comparable requirements for the area in which he or she is providing early intervention services, or, in the absence of such approved or recognized requirements, meets the Department of Developmental Services or California Department of Education requirements.

(42) Record means the documentation in the infant's or toddler's regional center client file and/or the LEA's cumulative file.

(43) Regional center means a diagnostic, counseling and service coordination center for persons with developmental disabilities and their families which is established and operated pursuant to Chapter 5 of Division 4.5 of the Welfare and Institutions Code, Sections 4620 through 4669, by a private nonprofit community agency/corporation acting as a contractor for the Department of Developmental Services.

(44) Referral means the receipt of oral or written information that causes a record to be opened for an infant or toddler who may be eligible for early intervention services.

(45) Resources means the strengths, abilities, formal and informal supports of the family available to meet the developmental needs of the infant or toddler.

(46) Severe orthopedic impairment means a condition which adversely affects an infant's or toddler's development. Such orthopedic impairments include impairments caused by congenital anomaly, impairments caused by disease and impairments from other causes which may affect functional movement and/or growth.

(47) Social or emotional development means the acquisition of capacities for human relationships, emotional expression, communication and learning. Social or emotional development is based on the motivation to engage in positive interaction and

to sustain personal relationships and precedes the development of effective coping skills, self esteem and the ability to take advantage of opportunities for learning. Differences in temperament, self regulation, range and intensity of affect and modulating one's response to the environment are additional factors influencing social or emotional development.

(48) Solely low incidence disability means one or a combination of low incidence disabilities which are vision impairment, severe orthopedic impairment, and hearing impairment which is the primary disability and has a significant impact on learning and development of the infant or toddler as determined by the IFSP team of the LEA. The infant or toddler who has a solely low incidence disability shall not be eligible for services from a regional center.

(49) Teratogen means an agent or factor that causes the production of physical defects in the developing embryo.

(50) Vision impairment means a visual condition which, even with correction, adversely affects the infant's or toddler's development.

Subchapter 5. Procedural Safeguards

Article 1. Notice and Consent

17 CCR § 52162

§ 52162. Consent.

(a) The service coordinator shall obtain written parental consent before:

- (1) The initial evaluation and assessment of an infant or toddler is conducted; and
- (2) Early intervention services are initiated.

(b) The infant's or toddler's record shall contain written evidence that the parent has been informed:

- (1) Of information relevant to the evaluation, assessment, early intervention service, or exchange of records for which consent is sought, in the language of the parent's choice, and agrees to the completion of the evaluation or assessment and the provision of early intervention services;
- (2) That consent is voluntary and may be revoked at any time;
- (3) That he/she may accept or decline any early intervention service and may decline such service after first accepting it, and continue to receive other early intervention services; and,
- (4) About who will receive the records and a listing of the records to be exchanged.

(c) If consent is not given or is withdrawn, the regional center or LEA service coordinator shall ensure:

- (1) That the parent has been informed of the nature of the evaluation and assessment or the early intervention services that would have been provided;
- (2) That the parent has been informed that the infant or toddler will not receive the evaluation and assessment or early intervention services unless consent is given; and,
- (3) That the infant's or toddler's record contains documentation of the attempts to obtain consent.

17 CCR § 52168

§ 52168. Amendment of Records at Parental Request.

(a) A parent, who believes that information in a regional center's or LEA's records is inaccurate or misleading or violates the privacy or other rights of an infant or toddler or family, may request that the director of the regional center or the Superintendent of the LEA amend or remove the information over which the regional center or LEA has authority.

(b) The service coordinator, upon request, shall assist a parent in communicating with those persons who created information contained in the record, when the regional center or LEA did not originate the information which the parent believes is inaccurate, misleading, or violates the privacy or other rights of an infant or toddler or family.

(c) No later than 14 days after receipt of the request for amendment or removal of information from a record, the regional center or LEA shall notify the parent if the request has been denied and advise the parent of the right to a meeting with the Director of the regional center or the Superintendent of the LEA pursuant to Title 34 Code of Federal Regulations, Section 99.20(c).

(d) If the result of the meeting is that the record will not be amended, the regional center or LEA shall inform the parent of the right to place, in the record maintained on the infant or toddler, a statement commenting on the information contained in the record or setting forth any reasons for disagreeing with the contents of any document in the child's records, regardless of whether the document was created by the regional center or LEA or by any other agency or individual.

(e) Any statement placed in the record of the infant or toddler pursuant to subsection (d) above shall:

(1) Be kept by the regional center or LEA as part of the record of the infant or toddler as long as the contested portion of the record is maintained by the regional center or LEA; and,

(2) Accompany the record of the infant or toddler if the contested portion is disclosed by the regional center or LEA.

17 CCR § 52171

§ 52171. Complaint Investigation.

(a) Within 60 days of receipt of the complaint the Department of Developmental Services shall:

(1) Assign the investigation of the complaint to a state interagency team or to the appropriate state agency that is responsible for the administration of the regional center, LEA or any private service provider receiving funds under Part C of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1431-1445, named in the complaint, which shall:

(A) Conduct an investigation, on-site if necessary; and

(B) Give the complainant the opportunity to submit additional information, either orally or in writing, about the allegations in the complaint;

(2) Review all relevant information and make a determination as to whether there has been a violation of a statutory or regulatory requirement contained in:

(A) Part C of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1431-1445;

(B) The Federal regulations pertaining to Part C of the Individuals with Disabilities Education Act;

(C) The California Early Intervention Services Act, Government Code Sections 95000-95030;

(D) Regulations contained in this chapter;

(E) Welfare and Institutions Code, Division 4.5, Chapter 5, beginning with Section 4500; or,

(F) Education Code beginning with Sections 56425 through 56431.

(3) Provide a written decision to all parties which addresses each allegation and includes:

(A) Findings and conclusions;

(B) The reasons for the final decision;

(C) The required corrective actions;

(D) Time lines for completion of the corrective actions; and,

(E) Provisions for technical assistance.

(4) If the decision of the Department of Developmental Services includes remedies for denial of appropriate services, the remedies may include:

(A) Actions to remediate denial of those services, including as appropriate, the awarding of monetary reimbursement or other corrective action appropriate to the needs of the child and the child's family, and

(B) Actions to assure that services are provided appropriately in the future for infants and toddlers with disabilities and their families

(b) An extension of the time limit under paragraph (a) of this Section shall be made by the Department of Developmental Services when events beyond the control of the Department of Developmental Services occur including but not limited to the complainant's illness, the complainant's absence from the geographical area, inability to locate the complainant, or a natural disaster.

(c) If a written complaint is received that is also the subject of a due process hearing pursuant to 34 CFR 303.420 and 17 CCR 52172 and 52174, or contains multiple issues, of which one or more are part of that hearing, the Department of Developmental Services shall set aside any part of the complaint that is being addressed in the due process hearing, until the conclusion of the hearing. Any issue in the complaint that is not part of the due process action will be resolved by the Department of Developmental Services within the 60 calendar-day time line using the complaint procedures described in this section.

(d) If an issue is raised in a complaint filed under this section that has previously been decided in a due process hearing involving the same parties, the hearing decision is binding, and the Department of Developmental Services shall inform the complainant to that effect.

(e) The Department of Developmental Services shall resolve any complaint alleging the failure of a public agency or private service provider to implement a due process decision.

§ 52170. Complaint Procedures.

(a) A complaint shall be a written and signed statement alleging that a regional center, LEA or any private service provider receiving funds under Part C of the Individuals with Disabilities Education Act, Title 20 United States Code, Sections 1431-1445, has violated any federal or state law or regulation governing the provision of early intervention services including the process of determining eligibility provided through Part C of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1431-1445, for infants or toddlers and their families.

(b) Any individual or organization may file a complaint.

(c) The alleged violation must have occurred:

(1) Not more than one year before the date that the complaint is received by the Department of Developmental Services unless a longer period is reasonable because the alleged violation continues for that child or other children; or

(2) Not more than three years before the date on which the complaint is received by the Department of Developmental Services, if the complainant is requesting reimbursement or corrective action as remediation of the complaint.

(d) The procedures under Chapter 1, commencing with Section 4500 of Division 4.5 of the Welfare and Institutions Code or Part 30, commencing with Section 56500 of the Education Code, or Title 5 California Code of Regulations Section 4600 et seq., shall not be used for resolving complaints regarding California's Early Start Program.

(e) Each regional center and LEA shall inform the parent and other interested individuals or organizations of the right to file a complaint directly with the Department of Developmental Services at the following address:

DEPARTMENT OF DEVELOPMENTAL SERVICES
OFFICE OF HUMAN RIGHTS
ATTENTION: EARLY START COMPLAINT UNIT
1600 NINTH STREET, ROOM 240, M.S. 2-15
SACRAMENTO, CA 95814

(f) If the complainant is unable to provide the complaint in writing, the service coordinator shall directly assist the complainant or provide assistance to identify resources which can aid the complainant in completing the written complaint.

(g) The complaint shall include the following:

(1) The name, address and phone number of the complainant;

(2) A statement that a regional center, LEA or any private service provider receiving funds under Part C of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1431-1445, has violated any federal or state law or regulation of a Part C requirement governing the provision of early intervention services for infants or toddlers and their families in California;

(3) A statement of facts upon which the alleged violation is based;

(4) The party allegedly responsible; and

(5) A description of the voluntary steps taken at the local level to resolve the complaint, if any.

(h) Mediation is available at any time to resolve disagreements involving any matter related to IDEA Part C.

17 CCR § 52175

§ 52175. Surrogate Parents.

(a) Regional centers or LEAs shall assign an individual to act as a surrogate parent if:

- (1) No parent can be identified;
- (2) The infant or toddler is a dependent of the juvenile court and the parental rights of the parent have been limited by the court or relinquished; or
- (3) The parent cannot be located, after reasonable efforts by the regional center or LEA.

(b) Interagency agreements as required in Section 52140(b)(12) shall include procedures for:

- (1) Determining whether an infant or toddler needs a surrogate parent;
- (2) Assigning a surrogate parent to the infant or toddler consistent with the provisions of this Article and Government Code section 7579.5;
- (3) Ensuring that surrogates have no interest that conflicts with the interests of the infant or toddler he or she represents;
- (4) Ensuring that surrogates have knowledge and skills that ensure adequate representation of the infant or toddler;
- (5) Ensuring that the surrogate parent is not an employee of any state agency, regional center, LEA or service provider involved in the provision of early intervention services to the infant or toddler. A person who otherwise qualifies as a surrogate parent is not an employee solely because he or she is paid by a state agency, regional center or LEA to serve as a surrogate parent.

(c) A surrogate parent may represent an infant or toddler in all matters related to:

- (1) The evaluation and assessment of the infant or toddler;
- (2) Development and implementation of the infant's or toddler's IFSP including annual evaluations, assessments and periodic reviews;
- (3) The ongoing provision of early intervention services to the infant or toddler;
- (4) Requesting mediation or due process hearings; and,
- (5) Any other early intervention service established under Part C of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1431-1445.

(d) A surrogate parent may not provide consent for medical services for which consent by a parent or legal guardian is required.

§ 52172. Procedures That Apply to Both Mediation and Due Process.

(a) A parent may request a mediation conference and/or a due process hearing under any of the following circumstances:

(1) A regional center or LEA proposes to initiate or change the identification, evaluation, assessment, placement or provision of appropriate early intervention services;

(2) A regional center or LEA refuses to initiate or change the identification, evaluation, assessment, placement or provision of appropriate early intervention services; or,

(b) A parent may also request a mediation conference at any time to resolve disagreements involving any matter related to IDEA, Part C.

(c) A regional center or LEA may request a mediation conference or a due process hearing when the parent refuses to consent to all or any part of an evaluation and assessment of the infant or toddler.

(d) All requests for a mediation conference and/or due process hearing shall be in writing and filed with the contractor that the Department of Developmental Services uses for mediation and due process hearings. If a parent is unable to make a request for mediation or a due process hearing in writing, the service coordinator shall assist the parent in filing the request.

(e) The duration for either a mediation conference or a due process hearing shall not exceed a total thirty days for each process from the receipt of the mediation or due process request to the mailing of the mediation agreement or hearing decision. If a mediation conference is requested at or during the time of a due process hearing the mediation conference resolution shall occur prior to the due process hearing.

(f) The location of the mediation and/or due process hearing shall be at a time and place reasonably convenient to the parent.

(g) During the pendency of mediation and/or due process hearing procedures, the infant or toddler shall continue to receive the early intervention services listed on the IFSP they are currently receiving. If mediation and/or due process hearing involves the initiation of a service(s) the infant or toddler shall receive those services that are not in dispute.

(h) Mediation and due process hearings shall be conducted in English and interpreted in the language of the family's choice or other mode of communication.

§ 52111. Transfer.

(a) Regional centers and LEAs shall use existing information whenever possible to determine continued eligibility and to minimize delay in the provision of appropriate early intervention services when an eligible infant's or toddler's residence changes to another regional center or LEA.

(b) The procedures contained in Welfare and Institutions Code section 4643.5, pertaining to transfers between regional centers, shall apply for an infant or toddler with an existing IFSP who moves from an area where he or she received early intervention services from a regional center into another regional center area.

(c) The procedures contained in Education Code section 56325, pertaining to an IEP, shall apply instead for an infant or toddler with an existing IFSP who moves from an area where he or she received early intervention services from an LEA into another LEA that provides early intervention services and the LEA is operating below the funded capacity, or for an infant or toddler with a solely low incidence disability.

(d) For an infant or toddler, with an existing IFSP, who is receiving early intervention services from an LEA:

(1) Who has not been determined eligible for regional center services; and,

(2) Who moves from an area where an LEA provides early intervention services to an area where there are no services available for the infant or toddler through the LEA.

(A) With parent consent, the sending LEA, if informed about the move by the family, shall notify the receiving regional center as soon as possible of a move to the new area and transmit the infant or toddler's record to expedite service delivery in the new area; or

(B) With parent consent, the LEA shall transmit the infant or toddler's record upon request of the receiving regional center if the LEA was not previously informed of the move by the family.

(C) The receiving regional center shall:

1. Assign a service coordinator as specified in section 52060; and,

2. Arrange, purchase or provide early intervention services to the extent possible within existing resources as specified on the infant's or toddler's current IFSP as soon as possible; and,

3. Within 30 days of receipt of evaluation and assessment materials from the LEA determine eligibility and conduct a periodic review of the IFSP.

Chapter 2. Early Intervention Services

Subchapter 3. Individualized Family Service Plan

Article 3. Transfer and Transition Procedures

17 CCR § 52112

§ 52112. Transition from Early Intervention Services.

(a) LEAs shall provide special education and related services to eligible children at age three. Pursuant to the requirements contained in Title 34 Code of Federal Regulations, Section 303.344, each LEA shall participate in the transition planning for toddlers served under the Early Intervention Services Act, Government Code Sections 95000-95030, who may be eligible for preschool programs under Part B of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1400-1420, before the toddler is two years nine months, or at the discretion of all parties up to six months before the child turns three to ensure that an IEP has been developed and is implemented by the toddler's third birthday.

(b) The service coordinator, six months before the third birthday of the toddler receiving early intervention services, shall:

(1) Notify the parent of a toddler who may be eligible for special education and related services under Part B of the Individuals with Disabilities Education Act that transition planning will occur within the next three to six months;

(2) Notify the LEA where the toddler resides that there will be an IFSP meeting requiring the attendance of an LEA representative pursuant to 34 CFR 300.132, before the toddler is two years nine months, or at the discretion of all parties, up to six months before the toddler turns three years old to specify the transition steps necessary for movement into services under Part B of the Individuals with Disabilities Education Act; and,

(3) Within thirty days following notification of the parent and the LEA, the family, service coordinator, and LEA shall agree on the date for the IFSP to specify the transition steps necessary for movement into services under Part B.

(c) For all toddlers with an IFSP, the transition steps contained in the IFSP at two years nine months or earlier shall include all of the following:

(1) Discussions with and providing information to parents regarding:

(A) The toddler's transition to special education for a toddler with a disability who may be eligible for special education and related services under Part B of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1400-1420; and,

(B) Steps to prepare the toddler for changes in service delivery, including steps to help the toddler adjust to, and function in, a new setting;

(2) Provide information about community resources such as Head Start, Child Development Preschools, private or public preschool, for a toddler who will not be eligible for special education services after thirty six months of age; and,

(3) A projected date for conducting a final review of the IFSP to review the early intervention services and the transition outcomes by age three.

(d) For toddlers who may be eligible for preschool services from the LEA under Part B of The Individuals with Disabilities Education Act, Title 20 United States Code Section 1400-1420, the transition steps necessary for movement into services under Part B or other appropriate program, written at the IFSP meeting before the toddler is two years nine months, or, at the discretion of all parties, up to six months before the toddler's third birthday, shall include all of the following:

(1) With parental consent, the transmission of information about the toddler to the LEA including evaluation and assessment information and copies of IFSPs that have been developed and implemented;

(2) Identifying needed assessments to determine regional center and special education eligibility and determining the regional center or LEA responsible and time lines for completing the needed assessments;

(3) Statements of the steps necessary to ensure that the referral to an LEA is received by the LEA in a timely manner to ensure that assessments required under the provisions of Part B of the Individuals with Disabilities Education Act are completed and an IEP is implemented by the toddler's third birthday;

(4) A referral for evaluation and assessment for services under Part B of the Individuals with Disabilities Education Act, Title 20 United States Code Sections 1400-1420, no later than the time that the toddler is two years nine months of age or before the LEA's break in school services if the toddler will become three years of age during a break in school services. The transition IFSP shall contain steps necessary to satisfy the referral and IEP development requirements contained in Education Code Sections 56321 and 56344;

(5) Identification of the people responsible for convening an IEP and final IFSP meeting, and the person responsible for convening an IPP meeting, if necessary, for a toddler by age three to:

(A) Review the progress toward meeting the early intervention services outcomes identified in the IFSP;

(B) Determine the eligibility for special education and develop the IEP; and,

(C) Develop an IPP if the toddler is also eligible for services under the Lanterman Developmental Disabilities Services Act as required in Welfare and Institutions Code Section 4646.

(e) If a toddler is older than two years and six months on the date of the initial IFSP, the IFSP shall include steps to ensure transition to Special Education Services under Part B of the Individuals with Disabilities Education Act or other services that may be appropriate.

(f) Regional centers may continue providing or purchasing services for a preschooler who has been determined eligible for regional center services:

(1) Until the beginning of the next school term after the toddler's third birthday during a period when the LEA special education preschool program is not in session; and,

(2) When the multidisciplinary team determines that services are necessary until the LEA special education program resumes.
