PARA-19

Family Code 8710.

(a) If a child is being considered for adoption, the department, county adoption agency, or licensed adoption agency shall first consider adoptive placement in the home of a relative or, in the case of an Indian child, according to the placement preferences and standards set out in subdivisions (c), (d), (e), (f), (g), (h), and (i) of Section 361.31 of the Welfare and Institutions Code. However, if the birth parent refuses to consider a relative or sibling placement, if a relative is not available, if placement with an available relative is not in the child's best interest, or if placement would permanently separate the child from other siblings who are being considered for adoption or who are in foster care and an alternative placement would not require the permanent separation, the foster parent or parents of the child shall be considered with respect to the child along with all other prospective adoptive parents where all of the following conditions are present:

- (1) The child has been in foster care with the foster parent or parents for a period of more than four months.
- (2) The child has substantial emotional ties to the foster parent or parents.
- (3) The child's removal from the foster home would be seriously detrimental to the child's well-being.
- (4) The foster parent or parents have made a written request to be considered to adopt the child.

(b) In the case of an Indian child whose foster parent or parents or other prospective adoptive parents do not fall within the placement preferences established in subdivision (c) or (d) of Section 361.31 of the Welfare and Institutions Code, the foster parent or parents or other prospective adoptive parents shall only be considered if the court finds, supported by clear and convincing evidence, that good cause exists to deviate from these placement preferences.

(c) This section does not apply to a child who has been adjudged a dependent of the juvenile court pursuant to Section 300 of the Welfare and Institutions Code.

(d) Upon a request to move a child from a prospective adoptive home for the purpose of placement with siblings or other relatives, the court shall consider the best interests of the child.

WIC 16002

(a) It is the intent of the Legislature to maintain the continuity of the family unit, and ensure the preservation and strengthening of the child's family ties by ensuring that when siblings have been removed from their home, either as a group on one occurrence or individually on separate occurrences, the siblings will be placed in foster care together, unless it has been determined that placement together is contrary to the safety or well-being of any sibling. The Legislature recognizes that in order to ensure the placement of a sibling group in the same foster care placement, placement resources need to be expanded.

(b) The responsible local agency shall make a diligent effort in all out-of-home placements of dependent children, including those with relatives, to place siblings together in the same placement, and to develop and maintain sibling relationships. If siblings are not placed together in the same home, the social worker shall explain why the siblings are not placed together and what efforts he or she is making to place the siblings together or why making those efforts would be contrary to the safety and well-being of any of the siblings. When placement of siblings together in the same home is not possible, a diligent effort shall be made, and a case plan prepared, to provide for ongoing and frequent interaction among siblings until family reunification is achieved, or, if parental rights are terminated, as part of developing the permanent plan for the child. If the court determines by clear and convincing evidence that sibling interaction is contrary to the safety and well-being of any of the siblings, the reasons for the determination shall be noted in the court order, and interaction shall be suspended.

(c) When there has been a judicial suspension of sibling interaction, the reasons for the suspension shall be reviewed at each periodic review hearing pursuant to Section 366. When the court determines that sibling interaction can be safely resumed, that determination shall be noted in the court order and the case plan shall be revised to provide for sibling interaction.

(d) If the case plan for the child has provisions for sibling interaction, the child, or his or her parent or legal guardian shall have the right to comment on those provisions. If a person wishes to assert a sibling relationship with a dependent child, he or she may file a petition in the juvenile court having jurisdiction over the dependent child pursuant to subdivision (b) of Section 388.

(e) If parental rights are terminated and the court orders a dependent child to be placed for adoption, the county adoption agency or the State Department of Social Services shall take all of the following steps to facilitate ongoing sibling contact, except in those cases provided in subdivision (b) where the court determines by clear and convincing evidence that sibling interaction is contrary to the safety or well-being of the child:

(1) Include in training provided to prospective adoptive parents information about the importance of sibling relationships to the adopted child and counseling on methods for maintaining sibling relationships.

(2) Provide prospective adoptive parents with information about siblings of the child, except the address where the siblings of the children reside. However, this address may be disclosed by court order for good cause shown.

(3) Encourage prospective adoptive parents to make a plan for facilitating postadoptive contact between the child who is the subject of a petition for adoption and any siblings of this child.

(f) Information regarding sibling interaction, contact, or visitation that has been authorized or ordered by the court shall be provided to the foster parent, relative caretaker, or legal guardian of the child as soon as possible after the court order is made, in order to facilitate the interaction, contact, or visitation.

(g) As used in this section, "sibling" means a child related to another person by blood, adoption, or affinity through a common legal or biological parent.

(h) The court documentation on sibling placements required under this section shall not require the modification of existing court order forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(Amended by Stats. 2012, Ch. 35, Sec. 102. Effective June 27, 2012.)

WIC 366.26 (n)

(n) (1) Notwithstanding Section 8704 of the Family Code or any other provision of law, the court, at a hearing held pursuant to this section or anytime thereafter, may designate a current caretaker as a prospective adoptive parent if the child has lived with the caretaker for at least six months, the caretaker currently expresses a commitment to adopt the child, and the caretaker has taken at least one step to facilitate the adoption process. In determining whether to make that designation, the court may take into consideration whether the caretaker is listed in the preliminary assessment prepared by the county department in accordance with subdivision (i) of Section 366.21 as an appropriate person to be considered as an adoptive parent for the child and the recommendation of the State Department of Social Services, county adoption agency, or licensed adoption agency.

(2) For purposes of this subdivision, steps to facilitate the adoption process include, but are not limited to, the following:

(A) Applying for an adoption home study.

(B) Cooperating with an adoption home study.

(C) Being designated by the court or the adoption agency as the adoptive family.

(D) Requesting de facto parent status.

(E) Signing an adoptive placement agreement.

(F) Engaging in discussions regarding a postadoption contact agreement.

(G) Working to overcome any impediments that have been identified by the State Department of Social Services, county adoption agency, or licensed adoption agency.

(H) Attending classes required of prospective adoptive parents.

(3) Prior to a change in placement and as soon as possible after a decision is made to remove a child from the home of a designated prospective adoptive parent, the agency shall notify the court, the designated prospective adoptive parent or the current caretaker, if that caretaker would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of this notice, the child's attorney, and the child, if the child is 10 years of age or older, of the proposal in the manner described in Section 16010.6.

(A) Within five court days or seven calendar days, whichever is longer, of the date of notification, the child, the child's attorney, or the designated prospective adoptive parent may file a petition with the court objecting to the proposal to remove the child, or the court, upon its own motion, may set a hearing regarding the proposal. The court may, for good cause, extend the filing period. A caretaker who would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of the notice of proposed removal of the child may file, together with the petition under this subparagraph, a petition for an order designating the caretaker as a prospective adoptive parent for purposes of this subdivision.

(B) A hearing ordered pursuant to this paragraph shall be held as soon as possible and not later than five court days after the petition is filed with the court or the court sets a hearing upon its own motion, unless the court for good cause is unable to set the matter for hearing five court days after the petition is filed, in which case the court shall set the matter for hearing as soon as possible. At the hearing, the court shall determine whether the caretaker has met the threshold criteria to be

designated as a prospective adoptive parent pursuant to paragraph (1), and whether the proposed removal of the child from the home of the designated prospective adoptive parent is in the child's best interest, and the child may not be removed from the home of the designated prospective adoptive parent unless the court finds that removal is in the child's best interest. If the court determines that the caretaker did not meet the threshold criteria to be designated as a prospective adoptive parent on the date of service of the notice of proposed removal of the child, the petition objecting to the proposed removal filed by the caretaker shall be dismissed. If the caretaker was designated as a prospective adoptive parent prior to this hearing, the court shall inquire into any progress made by the caretaker towards the adoption of the child since the caretaker was designated as a prospective adoptive parent.

(C) A determination by the court that the caretaker is a designated prospective adoptive parent pursuant to paragraph (1) or subparagraph (B) does not make the caretaker a party to the dependency proceeding nor does it confer on the caretaker any standing to object to any other action of the department, county adoption agency, or licensed adoption agency, unless the caretaker has been declared a de facto parent by the court prior to the notice of removal served pursuant to paragraph (3).

(D) If a petition objecting to the proposal to remove the child is not filed, and the court, upon its own motion, does not set a hearing, the child may be removed from the home of the designated prospective adoptive parent without a hearing.

(4) Notwithstanding paragraph (3), if the State Department of Social Services, county adoption agency, or licensed adoption agency determines that the child must be removed from the home of the caretaker who is or may be a designated prospective adoptive parent immediately, due to a risk of physical or emotional harm, the agency may remove the child from that home and is not required to provide notice prior to the removal. However, as soon as possible and not longer than two court days after the removal, the agency shall notify the court, the caretaker who is or may be a designated prospective adoptive parent, the child's attorney, and the child, if the child is 10 years of age or older, of the removal. Within five court days or seven calendar days, whichever is longer, of the date of notification of the removal, the child, the child's attorney, or the caretaker who is or may be a designated prospective adoptive parent may petition for, or the court on its own motion may set, a noticed hearing pursuant to paragraph (3). The court may, for good cause, extend the filing period.

(5) Except as provided in subdivision (b) of Section 366.28, an order by the court issued after a hearing pursuant to this subdivision shall not be appealable.

(6) Nothing in this section shall preclude a county child protective services agency from fully investigating and responding to alleged abuse or neglect of a child pursuant to Section 11165.5 of the Penal Code.

(7) The Judicial Council shall prepare forms to facilitate the filing of the petitions described in this subdivision, which shall become effective on January 1, 2006. *(Amended by Stats. 2012, Ch. 846, Sec. 23. Effective January 1, 2013.)*
