[Approved by Governor October 6, 2015. Filed with

LEGISLATIVE COUNSEL'S DIGEST

SB 238, Mitchell. Foster care: psychotropic medication.

Existing law authorizes only a juvenile court judicial officer to make orders regarding the administration of psychotropic medications for a dependent child or a ward of the court who has been removed from the physical custody of his or her parent, as specified. Existing law requires court authorization for the administration of psychotropic medication to be based on a request from a physician, indicating the reasons for the request, a description of the child's or ward's diagnosis and behavior, the expected results of the medication, and a description of any side effects of the medication. Existing law requires the officer to approve or deny the request for authorization to administer psychotropic medication, or set the matter for hearing, as specified, within 7 court days. Existing law requires the Judicial Council to adopt rules of court and develop appropriate forms for the implementation of these provisions.

This bill would require the Judicial Council, on or before July 1, 2016, to amend and adopt rules of court and develop appropriate forms for the implementation of these provisions, in consultation with the State Department of Social Services, the State Department of Health Care Services, and specified stakeholders. The bill would require the rules of court and forms to address, among other things, that the child or ward and his or her caregiver and court-appointed special advocate, if any, have an opportunity to provide input on the medications being prescribed, and would require the rules of court and forms to include a process for periodic oversight by the court of orders regarding the administration of psychotropic medications. The bill would also require a county child welfare department, probation agency, or other person who requests authorization for the administration of psychotropic medication to provide the child's caregiver with a copy of the resulting court order, thereby imposing a state-mandated local program.

This bill would also require the State Department of Social Services, in consultation with specified parties, to develop and distribute a monthly report to each county placing agency that is a signatory to a specified data sharing agreement, and would require this report to include specified

information regarding each child for whom one or more psychotropic medications have been paid for under Medi-Cal, including, among other things, the psychotropic medications that have been authorized for the child. The bill would also require a county placing agency to share information pertaining to the child with the juvenile court, the child's attorney, the county department of behavioral health, and the child's court-appointed special advocate, if one has been appointed. By imposing additional duties on county employees, the bill would impose a state-mandated local program.

Existing law requires certain individuals involved in the care and oversight of children in foster care, including group home administrators, foster parents, relative caregivers, nonrelative extended family member caregivers, social workers, judges, and attorneys, to receive training on various topics.

This bill would require the training to include training developed by the State Department of Social Services, in consultation with specified parties, regarding the authorization, uses, risks, benefits, assistance with self-administration, oversight, and monitoring of psychotropic medications, trauma, and substance use disorder and mental health treatments for those children. The bill would also require foster care public health nurses to receive this training. By imposing additional training requirements on social workers and public health nurses, the bill would impose a state-mandated local program.

This bill would incorporate additional changes proposed by AB 224, AB 403, SB 319, and SB 794, which would become operative only if this bill is chaptered last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

SECTION 1. Section 1522.41 of the Health and Safety Code is amended to read:

1522.41. (a) The director, in consultation and collaboration with county placement officials, group home provider organizations, the Director of Health Care Services, and the Director of Developmental Services, shall develop and establish a certification program to ensure that administrators of group home facilities have appropriate training to provide the care and services for which a license or certificate is issued.

(b) (1) In addition to any other requirements or qualifications required by the department, an administrator of a group home facility shall

successfully complete a department-approved certification program, pursuant to subdivision (c), prior to employment. An administrator employed in a group home on the effective date of this section shall meet the requirements of paragraph (2) of subdivision (c).

(2) In those cases when the individual is both the licensee and the administrator of a facility, the individual shall comply with all of the licensee and administrator requirements of this section.

(3) Failure to comply with this section shall constitute cause for revocation of the license of the facility.

(4) The licensee shall notify the department within 10 days of any change in administrators.

(c) (1) The administrator certification programs shall require a minimum of 40 hours of classroom instruction that provides training on a uniform core of knowledge in each of the following areas:

(A) Laws, regulations, and policies and procedural standards that impact the operations of the type of facility for which the applicant will be an administrator.

(B) Business operations.

(C) Management and supervision of staff.

(E) Community and support services.

(F) Physical needs for facility residents.

(G) Administration, storage, misuse, and interaction of medication used by facility residents.

(H) Resident admission, retention, and assessment procedures, including the right of a foster child to have fair and equal access to all available services, placement, care, treatment, and benefits, and to not be subjected to discrimination or harassment on the basis of actual or perceived race, ethnic group identification, ancestry, national origin, color, religion, sex, sexual orientation, gender identity, mental or physical disability, or HIV status.

(I) Instruction on cultural competency and sensitivity relating to, and best practices for, providing adequate care to lesbian, gay, bisexual, and transgender youth in out-of-home care.

(J) Nonviolent emergency intervention and reporting requirements.

(K) Basic instruction on the existing laws and procedures regarding the safety of foster youth at school and the ensuring of a harassment- and violence-free school environment contained in the School Safety and Violence Prevention Act (Article 3.6 (commencing with Section 32228) of Chapter 2 of Part 19 of Division 1 of Title 1 of the Education Code).

(2) The department shall adopt separate program requirements for initial certification for persons who are employed as group home administrators on the effective date of this section. A person employed as an administrator of a group home facility on the effective date of this section shall obtain a certificate by completing the training and testing requirements imposed by

the department within 12 months of the effective date of the regulations implementing this section. After the effective date of this section, these administrators shall meet the requirements imposed by the department on all other group home administrators for certificate renewal.

(3) Individuals applying for certification under this section shall successfully complete an approved certification program, pass a written test administered by the department within 60 days of completing the program, and submit to the department the documentation required by subdivision (d) within 30 days after being notified of having passed the test. The department may extend these time deadlines for good cause. The department shall notify the applicant of his or her test results within 30 days of administering the test.

(d) The department shall not begin the process of issuing a certificate until receipt of all of the following:

(1) A certificate of completion of the administrator training required pursuant to this chapter.

(2) The fee required for issuance of the certificate. A fee of one hundred dollars (\$100) shall be charged by the department to cover the costs of processing the application for certification.

(3) Documentation from the applicant that he or she has passed the written test.

(4) Submission of fingerprints pursuant to Section 1522. The department may waive the submission for those persons who have a current clearance on file.

(5) That person is at least 21 years of age.

(e) It shall be unlawful for any person not certified under this section to hold himself or herself out as a certified administrator of a group home facility. Any person willfully making any false representation as being a certified administrator or facility manager is guilty of a misdemeanor.

(f) (1) Certificates issued under this section shall be renewed every two years and renewal shall be conditional upon the certificate holder submitting documentation of completion of 40 hours of continuing education related to the core of knowledge specified in subdivision (c). No more than one-half of the required 40 hours of continuing education necessary to renew the certificate may be satisfied through online courses. All other continuing education hours shall be completed in a classroom setting. For purposes of this section, an individual who is a group home facility administrator and who is required to complete the continuing education hours required by the regulations of the State Department of Developmental Services, and approved by the regional center, may have up to 24 of the required continuing education course hours credited toward the 40-hour continuing education requirement of this section. Community college course hours approved by the regional centers shall be accepted by the department for certification.

(2) Every administrator of a group home facility shall complete the continuing education requirements of this subdivision.

(3) Certificates issued under this section shall expire every two years on the anniversary date of the initial issuance of the certificate, except that any administrator receiving his or her initial certification on or after July 1, 1999, shall make an irrevocable election to have his or her recertification date for any subsequent recertification either on the date two years from the date of issuance of the certificate or on the individual's birthday during the second calendar year following certification. The department shall send a renewal notice to the certificate holder 90 days prior to the expiration date of the certificate. If the certificate is not renewed prior to its expiration date, reinstatement shall only be permitted after the certificate holder has paid a delinquency fee equal to three times the renewal fee and has provided evidence of completion of the continuing education required.

(4) To renew a certificate, the certificate holder shall, on or before the certificate expiration date, request renewal by submitting to the department documentation of completion of the required continuing education courses and pay the renewal fee of one hundred dollars (\$100), irrespective of receipt of the department's notification of the renewal. A renewal request postmarked on or before the expiration of the certificate shall be proof of compliance with this paragraph.

(5) A suspended or revoked certificate shall be subject to expiration as provided for in this section. If reinstatement of the certificate is approved by the department, the certificate holder, as a condition precedent to reinstatement, shall submit proof of compliance with paragraphs (1) and (2) of subdivision (f), and shall pay a fee in an amount equal to the renewal fee, plus the delinquency fee, if any, accrued at the time of its revocation or suspension. Delinquency fees, if any, accrued subsequent to the time of its revocation or suspension and prior to an order for reinstatement, shall be waived for a period of 12 months to allow the individual sufficient time to complete the required continuing education units and to submit the required documentation. Individuals whose certificates will expire within 90 days after the order for reinstatement may be granted a three-month extension to renew their certificates during which time the delinquency fees shall not accrue.

(6) A certificate that is not renewed within four years after its expiration shall not be renewed, restored, reissued, or reinstated except upon completion of a certification training program, passing any test that may be required of an applicant for a new certificate at that time, and paying the appropriate fees provided for in this section.

(7) A fee of twenty-five dollars (\$25) shall be charged for the reissuance of a lost certificate.

(8) A certificate holder shall inform the department of his or her employment status and change of mailing address within 30 days of any change.

(g) Unless otherwise ordered by the department, the certificate shall be considered forfeited under either of the following conditions:

(1) The department has revoked any license held by the administrator after the department issued the certificate.

(2) The department has issued an exclusion order against the administrator pursuant to Section 1558, 1568.092, 1569.58, or 1596.8897, after the department issued the certificate, and the administrator did not appeal the exclusion order or, after the appeal, the department issued a decision and order that upheld the exclusion order.

(h) (1) The department, in consultation and collaboration with county placement officials, provider organizations, the State Department of Health Care Services, and the State Department of Developmental Services, shall establish, by regulation, the program content, the testing instrument, the process for approving certification training programs, and criteria to be used in authorizing individuals, organizations, or educational institutions to conduct certification training programs and continuing education courses. The department may also grant continuing education hours for continuing courses offered by accredited educational institutions that are consistent with the requirements in this section. The department may deny vendor approval to any agency or person in any of the following circumstances:

(A) The applicant has not provided the department with evidence satisfactory to the department of the ability of the applicant to satisfy the requirements of vendorization set out in the regulations adopted by the department pursuant to subdivision (j).

(B) The applicant person or agency has a conflict of interest in that the person or agency places its clients in group home facilities.

(C) The applicant public or private agency has a conflict of interest in that the agency is mandated to place clients in group homes and to pay directly for the services. The department may deny vendorization to this type of agency only as long as there are other vendor programs available to conduct the certification training programs and conduct education courses.

(2) The department may authorize vendors to conduct the administrator's certification training program pursuant to this section. The department shall conduct the written test pursuant to regulations adopted by the department.

(3) The department shall prepare and maintain an updated list of approved training vendors.

(4) The department may inspect certification training programs and continuing education courses, including online courses, at no charge to the department, to determine if content and teaching methods comply with regulations. If the department determines that any vendor is not complying with the requirements of this section, the department shall take appropriate action to bring the program into compliance, which may include removing the vendor from the approved list.

(5) The department shall establish reasonable procedures and timeframes not to exceed 30 days for the approval of vendor training programs.

(6) The department may charge a reasonable fee, not to exceed one hundred fifty dollars (\$150) every two years, to certification program vendors for review and approval of the initial 40-hour training program pursuant to subdivision (c). The department may also charge the vendor a fee, not to exceed one hundred dollars (\$100) every two years, for the review and

approval of the continuing education courses needed for recertification pursuant to this subdivision.

(7) (A) A vendor of online programs for continuing education shall ensure that each online course contains all of the following:

(i) An interactive portion in which the participant receives feedback, through online communication, based on input from the participant.

(ii) Required use of a personal identification number or personal identification information to confirm the identity of the participant.

(iii) A final screen displaying a printable statement, to be signed by the participant, certifying that the identified participant completed the course. The vendor shall obtain a copy of the final screen statement with the original signature of the participant prior to the issuance of a certificate of completion. The signed statement of completion shall be maintained by the vendor for a period of three years and be available to the department upon demand. Any person who certifies as true any material matter pursuant to this clause that he or she knows to be false is guilty of a misdemeanor.

(B) Nothing in this subdivision shall prohibit the department from approving online programs for continuing education that do not meet the requirements of subparagraph (A) if the vendor demonstrates to the department's satisfaction that, through advanced technology, the course and the course delivery meet the requirements of this section.

(i) The department shall establish a registry for holders of certificates that shall include, at a minimum, information on employment status and criminal record clearance.

(j) Subdivisions (b) to (i), inclusive, shall be implemented upon regulations being adopted by the department, by January 1, 2000.

(k) Notwithstanding any law to the contrary, vendors approved by the department who exclusively provide either initial or continuing education courses for certification of administrators of a group home facility as defined by regulations of the department, an adult residential facility as defined by regulations of the department, or a residential care facility for the elderly as defined in subdivision (k) of Section 1569.2, shall be regulated solely by the department pursuant to this chapter. No other state or local governmental entity shall be responsible for regulating the activity of those vendors.

No child shall be placed in a foster family home unless these requirements are met by the persons in the home who are serving as the foster parents.

(2) (A) Upon the request of the foster parent for a hardship waiver from the postplacement training requirement or a request for an extension of the deadline, the county may, at its option, on a case-by-case basis, waive the postplacement training requirement or extend any established deadline for a period not to exceed one year, if the postplacement training requirement presents a severe and unavoidable obstacle to continuing as a foster parent. Obstacles for which a county may grant a hardship waiver or extension are:

(2) (A) Upon the request of the foster parent for a hardship waiver from the postplacement training requirement or a request for an extension of the deadline, the county may, at its option, on a case-by-case basis, waive the postplacement training requirement or extend any established deadline for a period not to exceed one year, if the postplacement training requirement presents a severe and unavoidable obstacle to continuing as a foster parent. (4) Understanding the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.), its historical significance, the rights of children covered by the act, and the best interests of Indian children, including the role of the caregiver in supporting culturally appropriate, child-centered practices that respect Native American history, culture, retention of tribal membership and connection to the tribal community and traditions.

(5) Understanding how to use best practices for providing care and supervision to nonminor dependents.

(B) Family emergency.

(3) Before a waiver or extension may be granted, the licensed or certified foster parent should explore the opportunity of receiving training online or by video or written materials.

(f) (1) Foster parent training may be obtained through sources that include, but are not necessarily limited to, community colleges, counties, hospitals, foster parent associations, the California State Foster Parent Association's Conference, online resources, adult schools, and certified foster parent instructors.

(2) In addition to the foster parent training provided by community colleges, foster family agencies shall provide a program of training for their certified foster families.

(g) (1) Training certificates shall be submitted to the appropriate licensing or foster family agency.

(2) Upon completion, a licensed or certified parent shall submit a certificate of completion for the annual training requirements.

(j) This section shall remain in effect only until January 1, 2019, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2019, deletes or extends that date.

SEC. 3. Section 304.7 of the Welfare and Institutions Code is amended to read:

304.7. (a) The Judicial Council shall develop and implement standards for the education and training of all judges who conduct hearings pursuant to Section 300. The training shall include, but not be limited to, all of the following:

(1) A component relating to Section 300 proceedings for newly appointed or elected judges and an annual training session in Section 300 proceedings.

(2) Cultural competency and sensitivity relating to, and best practices for, providing adequate care to lesbian, gay, bisexual, and transgender youth.

(c) The Judicial Council shall submit an annual report to the Legislature on compliance by judges, commissioners, and referees with the education and training standards described in subdivisions (a) and (b).

SEC. 4. Section 317 of the Welfare and Institutions Code is amended to read:

317. (a) (1) When it appears to the court that a parent or guardian of the child desires counsel but is presently financially unable to afford and cannot for that reason employ counsel, the court may appoint counsel as provided in this section.

(2) When it appears to the court that a parent or Indian custodian in an Indian child custody proceeding desires counsel but is presently unable to afford and cannot for that reason employ counsel, the provisions of Section 1912(b) of Title 25 of the United States Code and Section 23.13 of Title 25 of the Code of Federal Regulations shall apply.

(b) When it appears to the court that a parent or guardian of the child is presently financially unable to afford and cannot for that reason employ counsel, and the child has been placed in out-of-home care, or the petitioning agency is recommending that the child be placed in out-of-home care, the court shall appoint counsel for the parent or guardian, unless the court finds that the parent or guardian has made a knowing and intelligent waiver of counsel as provided in this section.

(c) (1) If a child or nonminor dependent is not represented by counsel, the court shall appoint counsel for the child or nonminor dependent, unless the court finds that the child or nonminor dependent would not benefit from the appointment of counsel. The court shall state on the record its reasons for that finding.

(2) A primary responsibility of counsel appointed to represent a child or nonminor dependent pursuant to this section shall be to advocate for the protection, safety, and physical and emotional well-being of the child or nonminor dependent.

(3) Counsel may be a district attorney, public defender, or other member of the bar, provided that he or she does not represent another party or county agency whose interests conflict with the child's or nonminor dependent's interests. The fact that the district attorney represents the child or nonminor dependent in a proceeding pursuant to Section 300 as well as conducts a criminal investigation or files a criminal complaint or information arising from the same or reasonably related set of facts as the proceeding pursuant to Section 300 is not in and of itself a conflict of interest.

(4) The court may fix the compensation for the services of appointed counsel.

(5) (A) The appointed counsel shall have a caseload and training that ensures adequate representation of the child or nonminor dependent. The Judicial Council shall promulgate rules of court that establish caseload standards, training requirements, and guidelines for appointed counsel for children and shall adopt rules as required by Section 326.5 no later than July 1, 2001.

(B) The training requirements imposed pursuant to subparagraph (A) shall include instruction on both of the following:

(i) Cultural competency and sensitivity relating to, and best practices for, providing adequate care to lesbian, gay, bisexual, and transgender youth in out-of-home care.

(ii) The information described in subdivision (d) of Section 16501.4.

(d) Counsel shall represent the parent, guardian, child, or nonminor dependent at the detention hearing and at all subsequent proceedings before the juvenile court. Counsel shall continue to represent the parent, guardian, child, or nonminor dependent unless relieved by the court upon the substitution of other counsel or for cause. The representation shall include representing the parent, guardian, or the child in termination proceedings and in those proceedings relating to the institution or setting aside of a legal guardianship. On and after January 1, 2012, in the case of a nonminor dependent, as described in subdivision (v) of Section 11400, no representation by counsel shall be provided for a parent, unless the parent is receiving court-ordered family reunification services.

(e) (1) Counsel shall be charged in general with the representation of the child's interests. To that end, counsel shall make or cause to have made any further investigations that he or she deems in good faith to be reasonably necessary to ascertain the facts, including the interviewing of witnesses, and shall examine and cross-examine witnesses in both the adjudicatory and dispositional hearings. Counsel may also introduce and examine his or her own witnesses, make recommendations to the court concerning the child's welfare, and participate further in the proceedings to the degree necessary to adequately represent the child. When counsel is appointed to represent a nonminor dependent, counsel is charged with representing the wishes of the nonminor dependent except when advocating for those wishes conflicts with the protection or safety of the nonminor dependent. If the court finds that a nonminor dependent is not competent to direct counsel, the court shall appoint a guardian ad litem for the nonminor dependent.

(2) If the child is four years of age or older, counsel shall interview the child to determine the child's wishes and assess the child's well-being, and shall advise the court of the child's wishes. Counsel shall not advocate for the return of the child if, to the best of his or her knowledge, return of the child conflicts with the protection and safety of the child.

(3) Counsel shall investigate the interests of the child beyond the scope of the juvenile proceeding, and report to the court other interests of the child that may need to be protected by the institution of other administrative or judicial proceedings. Counsel representing a child in a dependency proceeding is not required to assume the responsibilities of a social worker, and is not expected to provide nonlegal services to the child.

(4) (A) At least once every year, if the list of educational liaisons is available on the Internet Web site for the State Department of Education, both of the following shall apply:

(i) Counsel shall provide his or her contact information to the educational liaison, as described in subdivision (b) of Section 48853.5 of the Education Code, of each local educational agency serving counsel's foster child clients in the county of jurisdiction.

(ii) If counsel is part of a firm or organization representing foster children, the firm or organization may provide its contact information in lieu of contact information for the individual counsel. The firm or organization may

designate a person or persons within the firm or organization to receive communications from educational liaisons.

(B) The child's caregiver or other person holding the right to make educational decisions for the child may provide the contact information of the child's attorney to the child's local educational agency.

(C) Counsel for the child and counsel's agent may, but are not required to, disclose to an individual who is being assessed for the possibility of placement pursuant to Section 361.3 the fact that the child is in custody, the alleged reasons that the child is in custody, and the projected likely date for the child's return home, placement for adoption, or legal guardianship. Nothing in this paragraph shall be construed to prohibit counsel from making other disclosures pursuant to this subdivision, as appropriate.

(5) Nothing in this subdivision shall be construed to permit counsel to violate a child's attorney-client privilege.

(6) The changes made to this subdivision during the 2011–12 Regular Session of the Legislature by the act adding subparagraph (C) of paragraph (4) and paragraph (5) are declaratory of existing law.

(7) The court shall take whatever appropriate action is necessary to fully protect the interests of the child.

(f) Either the child or counsel for the child, with the informed consent of the child if the child is found by the court to be of sufficient age and maturity to consent, which shall be presumed, subject to rebuttal by clear and convincing evidence, if the child is over 12 years of age, may invoke the psychotherapist-client privilege, physician-patient privilege, and clergyman-penitent privilege. If the child invokes the privilege, counsel may not waive it, but if counsel invokes the privilege, the child may waive it. Counsel shall be the holder of these privileges if the child is found by the court not to be of sufficient age and maturity to consent. For the sole purpose of fulfilling his or her obligation to provide legal representation of the child, counsel shall have access to all records with regard to the child maintained by a health care facility, as defined in Section 1545 of the Penal Code, health care providers, as defined in Section 6146 of the Business and Professions Code, a physician and surgeon or other health practitioner, as defined in former Section 11165.8 of the Penal Code, as that section read on January 1, 2000, or a child care custodian, as defined in former Section 11165.7 of the Penal Code, as that section read on January 1, 2000. Notwithstanding any other law, counsel shall be given access to all records relevant to the case that are maintained by state or local public agencies. All information requested from a child protective agency regarding a child who is in protective custody, or from a child's guardian ad litem, shall be provided to the child's counsel within 30 days of the request.

(g) In a county of the third class, if counsel is to be provided to a child at the county's expense other than by counsel for the agency, the court shall first use the services of the public defender before appointing private counsel. Nothing in this subdivision shall be construed to require the appointment of the public defender in any case in which the public defender has a conflict of interest. In the interest of justice, a court may depart from that portion of

the procedure requiring appointment of the public defender after making a finding of good cause and stating the reasons therefor on the record.

(h) In a county of the third class, if counsel is to be appointed to provide legal counsel for a parent or guardian at the county's expense, the court shall first use the services of the alternate public defender before appointing private counsel. Nothing in this subdivision shall be construed to require the appointment of the alternate public defender in any case in which the public defender has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the alternate public defender after making a finding of good cause and stating the reasons therefor on the record.

SEC. 4.5. Section 317 of the Welfare and Institutions Code is amended to read:

317. (a) (1) When it appears to the court that a parent or guardian of the child desires counsel but is presently financially unable to afford and cannot for that reason employ counsel, the court may appoint counsel as provided in this section.

(2) When it appears to the court that a parent or Indian custodian in an Indian child custody proceeding desires counsel but is presently unable to afford and cannot for that reason employ counsel, the provisions of Section 1912(b) of Title 25 of the United States Code and Section 23.13 of Title 25 of the Code of Federal Regulations shall apply.

(b) When it appears to the court that a parent or guardian of the child is presently financially unable to afford and cannot for that reason employ counsel, and the child has been placed in out-of-home care, or the petitioning agency is recommending that the child be placed in out-of-home care, the court shall appoint counsel for the parent or guardian, unless the court finds that the parent or guardian has made a knowing and intelligent waiver of counsel as provided in this section.

(c) (1) If a child or nonminor dependent is not represented by counsel, the court shall appoint counsel for the child or nonminor dependent, unless the court finds that the child or nonminor dependent would not benefit from the appointment of counsel. The court shall state on the record its reasons for that finding.

(2) A primary responsibility of counsel appointed to represent a child or nonminor dependent pursuant to this section shall be to advocate for the protection, safety, and physical and emotional well-being of the child or nonminor dependent.

(3) Counsel may be a district attorney, public defender, or other member of the bar, provided that he or she does not represent another party or county agency whose interests conflict with the child's or nonminor dependent's interests. The fact that the district attorney represents the child or nonminor dependent in a proceeding pursuant to Section 300 as well as conducts a criminal investigation or files a criminal complaint or information arising from the same or reasonably related set of facts as the proceeding pursuant to Section 300 is not in and of itself a conflict of interest.

(4) The court may fix the compensation for the services of appointed counsel.

(5) (A) The appointed counsel shall have a caseload and training that ensures adequate representation of the child or nonminor dependent. The Judicial Council shall promulgate rules of court that establish caseload standards, training requirements, and guidelines for appointed counsel for children and shall adopt rules as required by Section 326.5 no later than July 1, 2001.

(B) The training requirements imposed pursuant to subparagraph (A) shall include instruction on both of the following:

(i) Cultural competency and sensitivity relating to, and best practices for, providing adequate care to lesbian, gay, bisexual, and transgender youth in out-of-home care.

(ii) The information described in subdivision (d) of Section 16501.4.

(d) Counsel shall represent the parent, guardian, child, or nonminor dependent at the detention hearing and at all subsequent proceedings before the juvenile court. Counsel shall continue to represent the parent, guardian, child, or nonminor dependent unless relieved by the court upon the substitution of other counsel or for cause. The representation shall include representing the parent, guardian, or the child in termination proceedings and in those proceedings relating to the institution or setting aside of a legal guardianship. On and after January 1, 2012, in the case of a nonminor dependent, as described in subdivision (v) of Section 11400, no representation by counsel shall be provided for a parent, unless the parent is receiving court-ordered family reunification services.

(e) (1) Counsel shall be charged in general with the representation of the child's interests. To that end, counsel shall make or cause to have made any further investigations that he or she deems in good faith to be reasonably necessary to ascertain the facts, including the interviewing of witnesses, and shall examine and cross-examine witnesses in both the adjudicatory and dispositional hearings. Counsel may also introduce and examine his or her own witnesses, make recommendations to the court concerning the child's welfare, and participate further in the proceedings to the degree necessary to adequately represent the child. When counsel is appointed to represent a nonminor dependent, counsel is charged with representing the wishes of the nonminor dependent except when advocating for those wishes conflicts with the protection or safety of the nonminor dependent. If the court finds that a nonminor dependent is not competent to direct counsel, the court shall appoint a guardian ad litem for the nonminor dependent.

(2) If the child is four years of age or older, counsel shall interview the child to determine the child's wishes and assess the child's well-being, and shall advise the court of the child's wishes. Counsel shall not advocate for the return of the child if, to the best of his or her knowledge, return of the child conflicts with the protection and safety of the child.

(3) Counsel shall investigate the interests of the child beyond the scope of the juvenile proceeding, and report to the court other interests of the child that may need to be protected by the institution of other administrative or

judicial proceedings. Counsel representing a child in a dependency proceeding is not required to assume the responsibilities of a social worker, and is not expected to provide nonlegal services to the child.

(4) (A) At least once every year, if the list of educational liaisons is available on the Internet Web site for the State Department of Education, both of the following shall apply:

(i) Counsel shall provide his or her contact information to the educational liaison, as described in subdivision (c) of Section 48853.5 of the Education Code, of each local educational agency serving counsel's foster child clients in the county of jurisdiction.

(ii) If counsel is part of a firm or organization representing foster children, the firm or organization may provide its contact information in lieu of contact information for the individual counsel. The firm or organization may designate a person or persons within the firm or organization to receive communications from educational liaisons.

(B) The child's caregiver or other person holding the right to make educational decisions for the child may provide the contact information of the child's attorney to the child's local educational agency.

(C) Counsel for the child and counsel's agent may, but are not required to, disclose to an individual who is being assessed for the possibility of placement pursuant to Section 361.3 the fact that the child is in custody, the alleged reasons that the child is in custody, and the projected likely date for the child's return home, placement for adoption, or legal guardianship. Nothing in this paragraph shall be construed to prohibit counsel from making other disclosures pursuant to this subdivision, as appropriate.

(5) Nothing in this subdivision shall be construed to permit counsel to violate a child's attorney-client privilege.

(6) The changes made to this subdivision during the 2011–12 Regular Session of the Legislature by the act adding subparagraph (C) of paragraph (4) and paragraph (5) are declaratory of existing law.

(7) The court shall take whatever appropriate action is necessary to fully protect the interests of the child.

(f) Either the child or counsel for the child, with the informed consent of the child if the child is found by the court to be of sufficient age and maturity to consent, which shall be presumed, subject to rebuttal by clear and convincing evidence, if the child is over 12 years of age, may invoke the psychotherapist-client privilege, physician-patient privilege, and clergyman-penitent privilege. If the child invokes the privilege, counsel may not waive it, but if counsel invokes the privilege, the child may waive it. Counsel shall be the holder of these privileges if the child is found by the court not to be of sufficient age and maturity to consent. For the sole purpose of fulfilling his or her obligation to provide legal representation of the child, counsel shall have access to all records with regard to the child maintained by a health care facility, as defined in Section 1545 of the Penal Code, health care providers, as defined in Section 6146 of the Business and Professions Code, a physician and surgeon or other health practitioner, as defined in former Section 11165.8 of the Penal Code, as that section read

on January 1, 2000, or a child care custodian, as defined in former Section 11165.7 of the Penal Code, as that section read on January 1, 2000. Notwithstanding any other law, counsel shall be given access to all records relevant to the case that are maintained by state or local public agencies. All information requested from a child protective agency regarding a child who is in protective custody, or from a child's guardian ad litem, shall be provided to the child's counsel within 30 days of the request.

(g) In a county of the third class, if counsel is to be provided to a child at the county's expense other than by counsel for the agency, the court shall first use the services of the public defender before appointing private counsel. Nothing in this subdivision shall be construed to require the appointment of the public defender in any case in which the public defender has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the public defender after making a finding of good cause and stating the reasons therefor on the record.

(h) In a county of the third class, if counsel is to be appointed to provide legal counsel for a parent or guardian at the county's expense, the court shall first use the services of the alternate public defender before appointing private counsel. Nothing in this subdivision shall be construed to require the appointment of the alternate public defender in any case in which the public defender has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the alternate public defender after making a finding of good cause and stating the reasons therefor on the record.

SEC. 5. Section 369.5 of the Welfare and Institutions Code is amended to read:

369.5. (a) (1) If a child is adjudged a dependent child of the court under Section 300 and the child has been removed from the physical custody of the parent under Section 361, only a juvenile court judicial officer shall have authority to make orders regarding the administration of psychotropic medications for that child. The juvenile court may issue a specific order delegating this authority to a parent upon making findings on the record that the parent poses no danger to the child and has the capacity to authorize psychotropic medications.
