

## CCP 384.5 Reporting

### **Class Action Lawsuit Orders**

Courts are required ([SB 847, CCP Section 384.5](#)) to send the Judicial Council copies of an order or judgment for distribution of unpaid residue in a class action lawsuit.

The judgments shall contain the following information:

- The name of the case.
- The cause of action resolved by the judgment, with a summary of the underlying allegations or supporting factual findings.
- The name of, and the amount distributed to, each nonparty person or entity.
- The name of the judge ordering the distribution.
- The purpose of the distribution to the nonparty person or entity and how the nonparty person or entity plans to expend the funds or proceeds received, if known.
