

COJA Webcast FAQs

Here are some FAQs regarding Commission on Judicial Appointments webcasts:

Q: When clicking on the webcast link, I see a black video stream. Is something wrong?

A: Hearings may have not yet begun, or the event is in recess. Some buffering is also normal, which may cause the video player to be dark while the video loads.

Q: Is technical support available?

A: Unfortunately, we are unable to offer technical support for webcasts.

Q: Will archives of past Hearings be available to view.

A: At this time, an archive of past hearings will be not available.
