

**Alisha Griffin**  
**Director, California Department of Child Support Services**

21<sup>st</sup> Annual AB 1058 Child Support  
Training Conference  
September 12-15, 2017

---

---

---

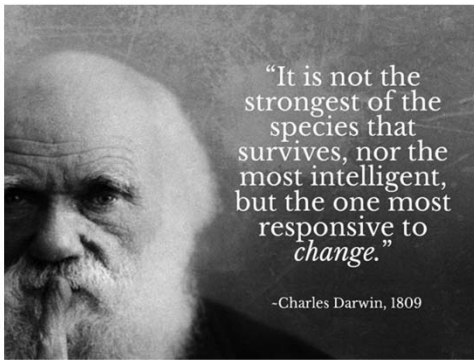

---

---

---

---

---

“It is not the strongest of the species that survives, nor the most intelligent, but the one most responsive to *change.*”

-Charles Darwin, 1809

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## **UIFSA 2008**

- Increased interstate referrals
- Increased reciprocity
- Complexity of knowledge has quadrupled

---

---

---

---

---

---

---

---

## **Flexibility, Efficiency, and Modernization – The Final Rule 2016**

- Consideration for parent’s ability to pay
- Procedural Justice
- Incarceration considerations

---

---

---

---

---

---

---

---

## **Quadrennial Review of Guidelines**

- Order setting
  - Defaults
  - Low-income adjustments
  - Zero orders
- Family and Work Economies
  - Parenting time
  - Logistics/Delivery of Services

---

---

---

---

---

---

---

---

## **Uniform Parentage Act**

- Definitions addressing parentage
- Parent-Child Relationships
- Parentage vs. Paternity
- Registry, Recision, and Rights

---

---

---

---

---

---

---

---

## **Millenials and i-Gen Families**

- Changing expectations
  - 24/7 access to services
  - Work-life balance/working things out
  - "Gig" economy

---

---

---

---

---

---

---

---

## **Rethinking Services and Paradigms**

- Digital access to services
- Meeting people where they are
- Shared services

---

---

---

---

---

---

---

---

## Stipulated Agreements

- Increasing use of stipulated agreements at establishment and modification.
- Stipulated orders pay nearly three times more current support than default orders.

	Defaults	Stipulations
Average annual current support payment	\$791	\$2,318
Average monthly current support payment	\$66	\$193
