Subject: Senate Bill 71 (McGuire) – Request for Signature

Dear Governor Newsom:

The Judicial Council respectfully requests your signature on SB 71, which permits a court in infraction cases to allow an individual to participate in educational programs to satisfy community service hours to address their total fine in lieu of payment.

The Judicial Council supports SB 71 because it allows courts to provide individuals with the ability to utilize their participation in an educational program to address their infraction offense in lieu of paying fines, fees, and penalties. Additionally, we appreciate that the bill preserves judicial discretion to determine what educational programs are appropriate as well as the means that individuals can use to indicate they have completed their course work.

For these reasons, the Judicial Council requests your signature on SB 71.

Please contact Mark Neuburger at 916-323-3121 for any questions or additional information.

Sincerely,
