

ACTIVITY STATUS FORM

JUDICIAL COUNCIL DIRECTIVES AOC RESTRUCTURING

DATE	3/28/2014
PREPARED BY	Burt Hirschfeld
OFFICE NAME	Office of Real Estate and Facilities Management
JUDICIAL COUNCIL DIRECTIVE NUMBER	136
JUDICIAL COUNCIL DIRECTIVE	E&P recommends that the Judicial Council direct the Administrative Director of the Courts to evaluate and propose an approach to evaluate cost effectiveness for the entire scope of Office of Court Construction and Management operations.
SEC RECOMMENDATION	A cost-benefit analysis of the entire scope of OCCM operations is needed.
JC DIRECTIVE TIMELINE	ADOC interim update to the council at the June 2013 council meeting and final report at the June 2014 meeting.
STATUS SYNOPSIS (provide brief synopsis of status that will be included in the Status Report provided to the Judicial Council)	
<p>The June 5, 2013 Activity Report included a proposal for an approach to evaluate the cost effectiveness of the Judicial Branch Capital Program Office. This Activity Report also indicated that an evaluation and proposed approach to evaluate the cost effectiveness of the Office of Real Estate and Facilities Management (OREFM) would be separately prepared.</p> <p>The implementation of this recommendation regarding OREFM is deferred until information on the Delegation Pilot Program involving four courts performing their own facilities maintenance (see synopsis regarding Directive 137) is reviewed by the Delegation Working Group, the Trial Court Facility Modification Advisory Committee and presented to the Executive and Planning Committee. The Delegation Working Group is yet to schedule its next meeting.</p> <p>The Delegation working group is scheduled to hold first meeting with the AOC on April 9, 2014. The Trial Court Facility Modifications Advisory Committee will consider the working group report and recommendations at its May meeting in anticipation of ADOC final report to Judicial Council at the June 2014 council meeting.</p>	
STATUS DETAIL (check applicable boxes and provide detail regarding status)

The June 5, 2013 Activity Report included a proposal for an approach to evaluate the cost effectiveness of the Judicial Branch Capital Program Office. This Activity Report also indicated that an evaluation and proposed approach to evaluate the cost effectiveness of the Office of Real Estate and Facilities Management (OREFM) would be separately prepared.

The implementation of this recommendation regarding OREFM is deferred until information on the Delegation Pilot Program involving four courts performing their own facilities maintenance (see synopsis regarding Directive 137) is reviewed by the Delegation Working Group, the Trial Court Facility Modification Advisory Committee and presented to the Executive and Planning Committee. The Delegation Working Group is yet to schedule its next meeting.

The Delegation working group is scheduled to hold first meeting with the AOC on April 9, 2014. The Trial Court Facility Modifications Advisory Committee will consider the working group report and recommendations at its May meeting in anticipation of ADOC final report to Judicial Council at the June 2014 council meeting.
