**Fund Balance Designation Notes**

For designations that are based on estimates, particularly operating and emergency funds, leave liabilities, retirement, and workers' compensation, provide a brief explanation of the methodology used to compute the designated amount.

In addition, if there is insufficient fund balance to designate total estimated liabilities, please provide the amount of the estimated shortfall.

We hired personnel to support the two new judges that were supposed to arrive in June of 08. Because the judges have been postponed until July of 09, we are reserving 12 months worth of expenses for the added employees. Keeping the employees for the 12 months until the Judges arrive will allow the Court to handle its current heavy case load and to have a fully trained experienced staff when the new judges arrive. Leave liability is salary times 50% of Sick leave and 100% of vacation. The operating and emergency reserves have been split between T and NON TCTF funding. Combined operating and emergency reserves are \$229,669. We currently do not have enough operating and emergency reserves to meet the AOC's guidelines of \$734,794.

**Fund Balance Designation Notes**

For designations that are based on estimates, particularly operating and emergency funds, leave liabilities, retirement, and workers' compensation, provide a brief explanation of the methodology used to compute the designated amount.

In addition, if there is insufficient fund balance to designate total estimated liabilities, please provide the amount of the estimated shortfall.

The operating and emergency reserves have been split between TCTF and NON TCTF funding. Combined operating and emergency reserves are \$229,669. We currently do not have enough operating and emergency reserves to meet the AOC's guidelines of \$734,794.
